

# Nixon Keys His Vote Drive To Television Appearances

By WALTER R. MEARS  
Associated Press Writer

NEW YORK (AP) — Richard M. Nixon, confident but cautious, is campaigning for the White House from a script which emphasizes television and devotes little public attention to his two presidential opponents.

Nixon's standard campaign speech includes a set series of taunts at Vice President Hubert H. Humphrey, the Democratic nominee.

Nixon tells the crowds—generally big ones—that a nation in trouble should not turn for leadership to a member of the administration that got it there.

George C. Wallace, the third party candidate, gets not a word from Nixon on the campaign platform. The Republican nominee contends that would only build up Wallace, so he never mentions the man.

Nevertheless, Wallace is a matter of real concern to Nixon's strategists. They believe Nixon can maintain his current lead in the opinion polls, and translate it into victory over Humphrey. But they share a fear that Wallace might win enough electoral votes to deny a majority to either of the major party candidates, thus sending the election to the House of Representatives.

Robert Ellsworth, Nixon's national political director, charged in an interview that the Democrats have a conscious strategy designed to do just that.

"The Democrats are doing ev-

everything they can to build up Wallace," Ellsworth said. He said they see in a House decision their best chance of denying Nixon the presidency.

Nixon's campaign pace is generally a leisurely one, with two or three speeches a day, each virtually identical. The schedule is shaped around television, and the question-and-answer pro-

grams Nixon is staging in the major states.

There have been four so far: Ohio, Illinois, California and Pennsylvania.

There will be at least a half-dozen more. Nixon's travels are frequently structured around the campaign television shows. So is his schedule. Each of them is preceded by a day of relaxation and preparation.

# Waverly Boy, 14, Slain In Chase, Duel With Police

WAVERLY, Ohio (AP)—A 14-year-old farm boy was killed Sunday night as he exchanged shots with police, wounding one officer, after an hour-long auto chase in Pike and Ross counties.

The boy, Paul Prater of near Waverly, was hit by a shotgun blast as he fought off police officers at a farmhouse near here, Capt. Roger Wilson of the Ohio Highway Patrol reported.

Highway patrolman Ronald Schinkle was hit in the cheekbone by a bullet from the boy's .22 caliber rifle, Wilson said. Schinkle was hospitalized in good condition, with the bullet lodged in the bone.

A Pike County deputy sheriff went to the home of Mrs. Betty Peters, Prater's mother, after the sheriff's office received a phone call from the farm home reporting the boy had fired a shot at his mother. She was not hit.

Prater left the house in an auto, chased by deputy John

Smith. Other police cars joined the chase that weaved over Pike County and went briefly into Ross County before Prater's car wrecked near the home of Walter Kimbleton, Route 3, Waverly. Prater fired several shots at the police cars during the chase, Capt. Wilson said.

Prater ran to the porch of the Kimbleton home, where he made his last stand. In between shots at the police, he dared them to come and get him and said he wouldn't be taken alive, Wilson said.

Corporal Robert Dwyer of the Portsmouth highway patrol post received injuries when he ran into a barbed wire fence after Prater's car wrecked.

Wilson said one police cruiser was hit seven times by Prater's bullets. A Waverly police cruiser also was hit at least once.

Schinkle was driving the cruiser that was hit seven times, Wilson said, and apparently was shot at the scene of the final shootout.

# 200 Walk Out Of Mass To Protest Papal Stand

WASHINGTON (AP) — The bitter dispute within the Washington Roman Catholic archdiocese has intensified in the wake of an unprecedented walk-out protest against Patrick Cardinal O'Boyle, archbishop of the diocese.

About 200 persons walked out of St. Matthew's cathedral during masses Sunday as the cardinal rose to urge obedience to Pope Paul VI's latest edict banning use of artificial birth controls.

The cardinal, who has been challenged on his interpretation of the Pope's encyclical by 44 area priests, had ordered a pastoral letter criticizing the dissenters read in all Roman Catholic churches in his jurisdiction.

Cardinal O'Boyle himself read the letter at three masses at St. Matthew's, and watched without apparent emotion as the people walked from the crowded cathedral.

Most returned after he finished reading the message.

It was estimated that at least another 200 persons left other churches when the letter was read.

The protest had been urged by two lay organizations supporting the dissident priests.

The cardinal said after the services that it was the first time he had encountered such a protest in his 20 years as archbishop of Washington. "It is a very emotional matter," he said. Other church officials said it was probably the first time parishioners had taken such action in any Catholic church.

The dispute arose following issuance of the Pope's edict July 29 prohibiting the use of all forms of artificial contraceptive devices, leaving only the rhythm method acceptable for Catholics.

Cardinal O'Boyle immediately interpreted the encyclical as binding on all Catholics. This was challenged by a group of 51 priests, later reduced to 44, who contend the Pope's statement leaves it up to individual Catholics to follow as a matter of personal conscience.

# Ohio Workers Said Well Off

COLUMBUS, Ohio (AP)—Gov. James A. Rhodes said Sunday that Ohio's labor force is taking home \$1,200 a year more than production workers average in the other 49 states.

Rhodes said statistics from the U. S. Labor Department and the U. S. Office of Business Economics show that "Ohio's labor force never has been as well off as it is today."

In addition, Rhodes said, "Total unemployment in Ohio is 3.1 per cent while the national average is 4 per cent. Ohio has only 1.2 per cent covered unemployment while the national average is 2 per cent."

# National Guard Leaves Ohio Pen

COLUMBUS, Ohio (AP)—For the second time in three months, Ohio National Guardsmen are not on duty at the Ohio Penitentiary.

The last group left the high-walled institution here late Sunday night, after having been employed at the 134-year-old prison almost continually since the June 24 riot.

# Douglas Again Bars Reserves From Viet Duty

WASHINGTON (AP) — For the second time in two weeks, Justice William O. Douglas has ordered the Army not to send groups of reservists to Vietnam until the Supreme Court considers whether to hear their objections to being called up for active duty.

In issuing the order Sunday, Douglas told the Army he was staying until at least Oct. 7 any orders to send the 448th Postal Unit and the 1018th Service Supply Company to Vietnam.

Douglas, who acted one day after Chief Justice Earl Warren refused to intervene, issued a similar order Sept. 12 for the 1002nd Combat Supply Company. Warren and Justice Hugo Black also had declined to act in the earlier case.

The postal unit is from New York City, while the supply company is from Schenectady, N.Y. Both units are stationed at Ft. Lee, Va. The 1002nd is from Ohio and stationed at Ft. Meade, Md.

Thirteen members of the postal unit and 83 members of the supply company asked for the stay. Their case, as in the one from 113 members of the 1002nd company, is based on the contention that it is unconstitutional for the President to activate the reserves for extended duty without the declaration of war or a national emergency.

The units involved were among several reserve groups called to active duty by President Johnson under a 1966 law which provided he could take such action if it were in the national interest.

Although only individuals asked for the Supreme Court hearing, Douglas' action applies to each unit as a whole. Actually, officials at Ft. Lee said orders had already gone out to keep the units on base indefinitely.

In issuing the Sept. 12 stay, Douglas said only that the case brought up several substantial questions. As reported by court officials Sunday, Douglas made no comment on his latest order.

# Americans Want Direct Vote For President

PRINCETON, N.J. (AP) — A vast majority of Americans would like to see presidential candidates chosen in a nationwide primary instead of at conventions, the Gallup Poll says.

The poll organization reported Sunday that a nationwide sampling taken in the first week of September found that 76 per cent of those polled favored the primary method. Only 13 per cent favored keeping the present convention system, and 11 per cent had no opinion.

The same poll also showed that 66 per cent of those questioned favored doing away with the electoral college and selecting the president by popular vote. Only 19 per cent disapproved of that idea.

# Wallace, Backers Now Feel Candidate Just Could Win

MONTGOMERY, Ala. (AP) — "My campaign," said a grinning George C. Wallace to an audience in Dallas the other day, "reminds me of the old joke that begins, 'They laughed when I sat down to play...'"

"Well," he said to the boom of

applause and the scream of rebel yells, "not many Democrats or Republicans are laughing now."

Wallace has said that even he whose political antennae are probably as sensitive as anybody's, did not anticipate when he announced his third-party candidacy in January the degree of success it would achieve by late September.

Wallace, for example, expected his "mission impossible" task force of Alabama lawyers to win for him a place on the ballots of 40 states at most.

Last week, when he met the qualifications of the 50th state—although Ohio remains in doubt—he began referring to the Democrats and Republicans as "the other two national parties."

He says his campaign treasury is in good condition, "but don't get the idea we're swimming in money," and he plans to eliminate many of the fundraising dinners that have been a staple of his campaign appearances. There also is a rumor that he soon will replace his prop-driven DC7 airplane with a speedier prop-jet model.

He also plans to slow the pace of his campaign. Last Friday he completed a fatiguing swing through the Southwest, Midwest and South, and will not resume again until next Friday, when he will embark on a trip through the Northeast, Midwest and Far West.

The secret of Wallace's suc-

cess has become clear as his traveling road show—complete with a country band and two blonde vocalists—the Taylor Sisters, Mona and Lisa—has wound its way through 31 states. Wallace has demonstrated an acute sense of the fundamental fears and irritations that gnaw at a great many bewildered Americans, and an ability to speak of them in simple, colorful terms.

# Fall Brings Turbulent Conditions

By THE ASSOCIATED PRESS

Widely varied and occasionally turbulent weather and some freezing temperatures ushered in the fall today.

Violent showers dumped heavy amounts of rain on parts of the Midwest late Sunday and early today.

In northwestern Iowa, the town of Royal was swamped by five and one half inches of rain during the night. Nearby Spencer absorbed four and three quarters inches. A rash of tornadoes hit the same area earlier Sunday causing property damage and disrupting electrical power in Orange City.

More than four inches of rain fell on Russell, Kan., and Minneapolis, Minn., received an inch and one half during the same period.

Winds up to 70 miles an hour and half-inch size hail hit the area around Wichita, Kan.

The turbulence was associated with a slow-moving cold front stretching from Kansas to Minnesota. Locally heavy rain showers accompanied the front while lighter showers preceded it across the Midwest. A band of light showers also extended from the Great Lakes to New England.

Generally fair and mild weather remained to the east of the front. In the west cold air continue its grip in the wake of the first heavy snows that fell Friday.

"Our boss told us it's legal," one of them told police.

# Hijack Planes In Colombia

# Castroite Plot Said Possibility

HAVANA (AP) — Two Colombian airliners that took off two hours apart from the same airport in Colombia were hijacked Sunday and flown to Cuba with 139 persons aboard.

A Boeing 727 jet with 72 passengers and a crew of six landed in Camaguey, 300 miles southeast of Havana, shortly after noon. No one was injured and the plane was released Sunday night and returned to Barranquilla, Colombia.

The other plane, a DC4 with 57 passengers and a crew of four, landed in Santiago de Cuba. The Swiss Embassy, which handles Colombian affairs in Cuba, said all aboard were safe and the plane and those aboard would return to Colombia today.

Cuban officials would not say, and Colombian officials had not determined yet if the twin hijackings were coincidental or part of a plot. Both hijackers apparently were Colombians, and both presumably were given asylum in Cuba.

Colombian Defense Minister Gerardo Ayerbe Chaux said he believed the double piracy was a Castroite plot directed from Havana. He said it seemed improbable.

# Unmanned Ship Circles Moon And Returns

MOSCOW (AP) — The Russians forged ahead in the space race again over the weekend by recovering an unmanned spaceship that splashed down in the Indian Ocean after circling the moon.

Sir Bernard Lovell, Britain's top space expert, predicted that the Soviets within months will make a manned shot around the moon. James E. Webb, outgoing head of the U.S. space program, said the latest Russian feat "shows a capability that could change the basic structure and balance of power in the world."

The spaceship, Zond 5, was launched on Sept. 14. It went into a holding orbit around the earth, then took off for the moon. It circled the moon on Wednesday, landed in the Indian Ocean Saturday night, and was picked up by a Russian recovery ship Sunday.

Lovell, director of Britain's Jodrell Bank Observatory and an authority on the Soviet space program, called the Soviet shot "a considerable achievement... It probably means that a manned round-the-moon flight will occur in the coming months as a direct challenge to America's Apollo project."

Webb, who a week ago predicted the United States would remain second in the space race for years because of heavy cuts in its space budget, said the Zond 5 flight demonstrated that the Russians have "an able-bodied rocket" bigger than any operational U.S. rocket.

# Seek To Recoup Foreign Aid Cuts

WASHINGTON (AP) — Administration officials, launching a drive today to recoup part of a \$1.3 billion foreign aid cut, said sharp reduction in aid to Latin America, Africa, India and Pakistan appear certain.

The drive was in the Senate Appropriations Committee, which is considering a House-passed foreign aid money bill cut to \$1.6 billion from President Johnson's request for \$2.9 billion.

Secretary of State Dean Rusk planned to cap the administration effort with a personal appearance before the committee Thursday.

The administration can recoup \$370 million at most because Congress already has set a \$1.97 billion ceiling on the foreign aid authorization.

# Marines Find Big Viet Red Bases Hidden In DMZ

SAIGON (AP) — U.S. Marines over the weekend found two heavily fortified camps just below the North Vietnamese frontier. The bases evidently were intended to sustain the Communist thrust through the center of the demilitarized zone that intelligence reports indicate is planned in the next six weeks.

While the Marines were uncovering hundreds of bunkers and huge stocks of munitions, South Vietnamese soldiers reported killing 98 North Vietnamese in a pitched battle on the eastern flank of the DMZ.

Most of the significant action reported today occurred in the northern provinces. Elsewhere

another lull in the war appeared to be lengthening, with enemy forces avoiding contact and making a few attacks.

Upwards of 2,000 American Marines were probing the wooded foothills north of their Rockpile base, sitting athwart the central infiltration route from the 17th parallel.

Inside the demilitarized zone above the Rockpile the Marines on Saturday found a complex of 350 log bunkers, some reinforced with steel beams, and a huge stockpile of shells, rockets, rifle and machine-gun ammunition, mines and grenades and rice.

On Sunday, men of the 26th Marine Regiment a few miles to the south located a second un-

derground fortress of some 300 bunkers, along with 1,200 mortar shells and other ammunition.

Each camp could have supported and sheltered an enemy regiment of about 2,500 men.

Officers at Marine headquarters said results of the DMZ operation have already exceeded intelligence estimates and more is expected. In the past three weeks the leathernecks have rounded up about 35 tons of supplies, including 16,000 rocket and mortar shells.

Two prison camps figured in the war news over the weekend.

South Vietnamese headquarters said the Viet Cong overran a prisoner of war camp at Binh Son, 325 miles north of Saigon,

and killed 20 of the prisoners who refused to let their "rescuers" take them away.

The camp was defended by militiamen, one of whom was killed and 10 of whom were wounded. A spokesman said before the ground attack the town and the camp were hit by 100 rockets and mortar rounds which wounded 70 civilians.

At the other end of the country, deep in the Mekong Delta, South Vietnamese militiamen found a Viet Cong prison camp near the U Minh Forest and freed 11 men, 9 women and 5 children. Some of the prisoners said they had been captives for more than three years.

In the delta province of An Xuyen, the southernmost in the

nation, a battalion of South Vietnamese troops swooped down on a marshy, paddyland area this morning. Within two hours the South Vietnamese had killed 40 fleeing guerrillas and swept up 19 weapons, including several heavy machine guns, plus a stock of mortar and rocket ammunition.

Northwest of the capital, on the Communist infiltration route from Cambodia, U.S. 25th Infantry Division soldiers fought a series of skirmishes and reported killing 29 of the enemy.

Fifty miles east of Saigon, in Long Khanh province, a bus was mined and 10 civilian passengers were killed and 32 were wounded.

U.S. headquarters reported

enemy gunners brought down two more American helicopters, one on Friday lost with no casualties and another down on Sunday in the northern provinces with one man wounded. This brought to five the number of helicopters shot down over the weekend and the number lost in combat in the war to 868.

With the fall monsoon building up in the north, bad weather over the southern part of North Vietnam limited American air strikes for the second day. Only 76 strike missions were flown, about half the normal number.

The North Vietnamese near Vinh attempted to catch a Navy Crusader jet with a SAM missile but the pilot outmaneuvered the rocket and escaped.

## 200 Walk Out Of Mass To Protest Papal Stand

WASHINGTON (AP) — The bitter dispute within the Washington Roman Catholic archdiocese has intensified in the wake of an unprecedented walk-out protest against Patrick Cardinal O'Boyle, archbishop of the diocese.

About 200 persons walked out of St. Matthew's cathedral during mass Sunday as the cardinal rose to offer obedience to Pope Paul VI's latest edict banning use of artificial birth controls.

The cardinal, who has been challenged on his interpretation of the Pope's encyclical by 44 area priests, had ordered a pastoral letter criticizing the dissenters read in all Roman Catholic churches in his jurisdiction.

## Douglas Again Bars Reserves From Viet Duty

WASHINGTON (AP) — For the second time in two weeks, Justice William O. Douglas has ordered the Army not to send groups of reservists to Vietnam until the Supreme Court considers whether to hear their objections to being called up for active duty.

In issuing the order Sunday, Douglas told the Army he was staying until at least Oct. 7 any orders to send the 48th Postal Unit and the 1018th Service Supply Company to Vietnam.

Douglas, who acted one day after Chief Justice Earl Warren refused to intervene, issued a similar order Sept. 12 for the 1002nd Combat Supply Company. Warren and Justice Hugo Black also had declined to act in the earlier case.

The postal unit is from New York City, while the supply company is from Schenectady, N.Y. Both units are stationed at Ft. Lee, Va. The 1002nd is from Ohio and stationed at Ft. Meade, Md.

Thirteen members of the postal unit and 83 members of the supply company asked for the stay. Their case, as in the one from 113 members of the 1002nd company, is based on the contention that it is unconstitutional for the President to activate the reserves for extended duty without the declaration of war or a national emergency.

The units involved were among several reserve groups called to active duty by President Johnson under a 1966 law which provided he could take such action if it were in the national interest.

Although only individuals asked for the Supreme Court hearing, Douglas' action applies to each unit as a whole. Actually, officials at Ft. Lee said orders had already gone out to keep the units on base indefinitely.

In issuing the Sept. 12 stay, Douglas said only that the case brought up several substantial questions. As reported by court officials Sunday, Douglas made no comment on his latest order.

The same poll also showed that 66 per cent of those questioned favored doing away with the electoral college and selecting the president by popular vote. Only 19 per cent disapproved of that idea.

## Marines Find Big Viet Red Bases Hidden In DMZ

SAIGON (AP) — U.S. Marines over the weekend found two heavily fortified camps just below the North Vietnamese frontier. The bases evidently were intended to sustain the Communist thrust through the center of the demilitarized zone that intelligence reports indicate is planned in the next six weeks.

While the Marines were uncovering hundreds of bunkers and huge stocks of munitions, South Vietnamese soldiers reported killing 98 North Vietnamese in a pitched battle on the eastern flank of the DMZ.

Most of the significant action reported today occurred in the northern provinces. Elsewhere

another lull in the war appeared to be lengthening, with enemy forces avoiding contact and making a few attacks.

Upwards of 2,000 American Marines were probing the wooded foothills north of their Rockpile base, sitting athwart the central infiltration route from the 17th parallel.

Inside the demilitarized zone above the Rockpile the Marines on Saturday found a complex of 350 log bunkers, some reinforced with steel beams, and a huge stockpile of shells, rockets, rifle and machine-gun ammunition, mines and grenades and rice.

On Sunday, men of the 26th Marine Regiment a few miles to the south located a second underground fortress of some 300 bunkers, along with 1,200 mortar shells and other ammunition.

Each camp could have supported and sheltered an enemy regiment of about 2,500 men.

Officers at Marine headquarters said results of the DMZ operation have already exceeded intelligence estimates and more is expected. In the past three weeks the leathernecks have rounded up about 35 tons of supplies, including 16,000 rocket and mortar shells.

Two prison camps figured in the war news over the weekend. South Vietnamese headquarters said the Viet Cong overran a prisoner of war camp at Binh Son, 325 miles north of Saigon, and killed 20 of the prisoners who refused to let their "rescuers" take them away.

The camp was defended by militiamen, one of whom was killed and 10 of whom were wounded. A spokesman said before the ground attack the town and the camp were hit by 100 rockets and mortar rounds which wounded 70 civilians.

At the other end of the country, deep in the Mekong Delta, South Vietnamese militiamen found a Viet Cong prison camp near the U Minh Forest and freed 11 men, 9 women and 5 children. Some of the prisoners said they had been captives for more than three years.

In the delta province of An Xuyen, the southernmost in the

nation, a battalion of South Vietnamese troops swooped down on a marshy, paddyland area this morning. Within two hours the South Vietnamese had killed 40 fleeing guerrillas and swept up 19 weapons, including several heavy machine guns, plus a stock of mortar and rocket ammunition.

Northwest of the capital, on the Communist infiltration route from Cambodia, U.S. 25th Infantry Division soldiers fought a series of skirmishes and reported killing 29 of the enemy.

Fifty miles east of Saigon, in Long Khanh province, a bus was mined and 10 civilian passengers were killed and 32 were wounded. U.S. headquarters reported

enemy gunners brought down two more American helicopters, one on Friday lost with no casualties and another down on Sunday in the northern provinces with one man wounded. This brought to five the number of helicopters shot down over the weekend and the number lost in combat in the war to 868.

With the fall monsoon building up in the north, bad weather over the southern part of North Vietnam limited American air strikes for the second day. Only 76 strike missions were flown, about half the normal number.

The North Vietnamese near Vinh attempted to catch a Navy Crusader jet with a SAM missile but the pilot outmaneuvered the rocket and escaped.

# Deer Creek Dam, Reservoir Dedication Held Saturday

**DEDICATION DIGNITARIES** — Heading a long list of dignitaries attending the Saturday dedication of Deer Creek Reservoir near New Holland were, left to right, Brig. General Charles C. Noble, Director of Civil Works for the U.S. Army Corps of Engineers; 15th District Congressman Chalmers Wylie; Governor James A. Rhodes; 6th District Congressman William Harsha; and Wayne E. Smith, dedication ceremony chair man.

Several hundred people from the three-county area of Pickaway, Fayette and Madison counties braved a hot autumn sun Saturday afternoon for the dedication of Ohio's newest flood-control reservoir in western Pickaway County.

The formal dedication of Deer Creek dam and reservoir Saturday launched development of a state recreational park destined to be one of the finest in the Buckeye State.

Officials from the tri-county area were present along with Governor James A. Rhodes, Director of Natural Resources Fred Morr, Brig. General Charles C. Noble, 15th District Congressman William Harsha and 6th District Congressman Chalmers Wylie.

The dam and reservoir comprise an Army Engineers flood control project which fits into the overall plan for the Scioto River basin. It includes seven multi-purpose reservoirs and two local protection projects. Delaware Dam, completed in 1951 on the Olentangy River north of Columbus, is included in the system.

**FISH** and wildlife conservation is a secondary purpose of the project, but recreation facilities are to be developed by the Ohio Department of Natural Resources.

Morr said that the formal dedication marked "the beginning of a comprehensive recreational development program which will provide

Ohioans with one of the most modern recreational facilities in the nation."

Phase No. 1 of the total development includes Deer Creek Boat Access, Clark Run Camping Area and Boat Access, three public access and parking areas at the north corner of the reservoir, and another access site below the dam.

Restoration throughout the development will include about 35,000 tree plantings.

Future plans call for construction of a beach to be situated at the southeast corner of the 1,277-acre reservoir. Some vacation cabins also are to be built.

The Division of Wildlife said it is using every technical and

scientific method in the book to create in the reservoir "the finest sport fishing water available to any fishermen anywhere."

**LAST** May the department stocked more than a million walleyes, 115,000 muskies and 15,000 striped bass. In October an additional stocking of 100,000 bluegills, 50,000 channel catfish, 20,000 largemouth bass and 20,000 flathead catfish is planned.

To top off the stocking program a final plant of a half million walleyes and 5,000 additional young muskies will be made next spring — for a total stocking of nearly two million fish.

## Board Of Elections Seeks 60 Voting Machines For '69

William Stout, chairman of the Pickaway County Board of elections met with commissioners Wayne Hines, Lloyd Melvin and Charles Morris to discuss purchase of voting machines.

Stout asked the commissioners to consider purchasing 60 machines, to be used in 1969 elections in the county. The Board of elections had earlier asked for 15 machines to be used in Circleville's first ward, Circleville Twp. and the three precincts in Ashville.

However, because of the wording of the bid ad-

vertisement which limited the description to one type machine, all bids received were rejected.

Commissioners indicated at that time they believed it might be better to purchase all machines at the same time.

No action was taken today on Stout's request.

In other business before commissioners today, Clifford Vance, 500 E. Main St., was employed as courthouse custodian.

Vance is to begin work at the courthouse November 1. His hours will be noon to 7 p.m. five days a week and noon to 5 p.m. Saturday. His salary was set at \$325 a month by commissioners.

The commissioners passed a resolution to accept bids for a concrete slab bridge over Dry Run on Randle Road in Muhlenberg Twp. The bids will be accepted until noon Oct. 9 and will be opened at 1:30 p.m. that same day.

## Local Legion Auxiliary Wins Award

The auxiliary of the Hall-Adkins American Legion Post of Circleville won honorable mention at a national legion convention for its child welfare program.

The award was presented at the 48th Annual National Convention of the American Legion Auxiliary in New Orleans recently.

Mrs. James Price of 350 Garden Parkway served as president during the 1967-68 program of the local post.

"Programming for Children in the Computer Age" was the theme presented at the planning session of the American Legion Child Welfare Commission at the beginning of the auxiliary year.

Mrs. Vernon H. Randall, National President of the Legion Auxiliary presided over the annual convention of the world's largest women's patriotic organization attended by more than 1,400 delegates.

Among the distinguished guests appearing before the Auxiliary Convention was Gen. Lewis W. Walt, vice commandant of the United States Marine Corps.

Mrs. Stacy Day, Portsmouth, is serving this year as the seventh District President and was the official delegate from the Seventh District.

## Arabs Hit Israeli Patrol

TEL AVIV, Israel (AP) — A band of Egyptian commandos crossed the Suez Canal and laid an ambush for an Israeli patrol, the Israeli army charged today. The riders hit an Israeli truck with bazooka fire and light arms and injured an Israeli soldier, a spokesman asserted.

The ambush was laid on a waterside road in occupied Sinai, about three miles south of Little Bitter Lake and 10 miles north of the city of Suez on the southern neck of the canal. Firing began a half hour before midnight.

After the fight, "clear signs were found of a few people who came from the direction of the canal...and retreated to the canal," said the spokesman.

U.N. ceasefire observers were notified and visited the scene.

The situation along the canal border between Israel and Egypt has been tense since Aug. 26, when Israel claimed Egyptian raiders crossed the waterway, ambushed Israeli troops and carried a soldier off into Egypt. The Egyptians denied the charge.

He also predicted that the next Soviet feat would be a manned flight around the moon. West Germany's Bochum Institute for Satellites and Space Exploration predicted that such a flight would be accomplished with a three-man spacecraft "this year or at latest in the first quarter of 1969."

"With his fantastic success, the U.S.S.R. is on the way to being the victor and being the first to reach the moon," said the institute's director, Heinz Kaminsky.

Western sources speculated that the scientific equipment aboard Zond 5 included cameras and that pictures were made of the moon's surface. If so, it would be the first time film was used to take pictures of the moon at such a close distance. Such pictures should be of better quality than the pictures transmitted from space by U.S. or Soviet mooncraft.

## See Meet To Discuss Sabah Crisis

MANILA (AP) — Philippine President Ferdinand Marcos and Malaysian Prime Minister Tunku Abdul Rahman probably will meet soon to thrash out their dispute over Sabah. But there is no indication that either is prepared to give any ground.

Meanwhile, some 2,000 students angry over what they consider U.S. support of Malaysia demonstrated for the second day in front of the U.S. Embassy, and burned an effigy of President Johnson.

In Kuala Lumpur, a government spokesman said Rahman is "quite prepared" to meet with Marcos to discuss the Philippine claim to the Malaysian state in North Borneo and Malaysia's suspension of diplomatic relations with the Philippines last week.

The long dispute came to a head Wednesday when Marcos signed a bill declaring Sabah to be Philippine territory. Marcos said the Philippine claim would be pursued peacefully before the United Nations.

The claim is based on former ownership of the North Borneo territory by a 19th century sultan of Sulu whose descendants are now Philippine citizens. The sultan ceded it to a group of British traders, it eventually became the colony of British North Borneo, and in 1963 it was merged into Malaysia along with the other British territories in Southeast Asia. At that time it was recognized by the United States as part of Malaysia.

## Board Of Elections Seeks 60 Voting Machines For '69

William Stout, chairman of the Pickaway County Board of elections met with commissioners Wayne Hines, Lloyd Melvin and Charles Morris to discuss purchase of voting machines.

Stout asked the commissioners to consider purchasing 60 machines, to be used in 1969 elections in the county. The Board of elections had earlier asked for 15 machines to be used in Circleville's first ward, Circleville Twp. and the three precincts in Ashville.

However, because of the wording of the bid ad-

## Judge Hears Five Cases

Charges of probation violations, writing a bad check and failure to support minor children were heard by Common Pleas Court Judge William Ammer Saturday.

Dorah Dorsey Montgomery, placed on three years probation in 1967 for breaking and entering, was charged with probation violation. She was sentenced to 60 days in the county jail and had her probation extended until Nov. 11, 1971.

Robert Heeter, indicted by the September Term of the Pickaway County Grand Jury for issuing a check with insufficient funds, entered a plea of guilty and was placed on probation for three years.

Pleas of two men indicted by the Grand Jury for non-support of minor children were heard by the court.

William Saxour pleaded guilty to the charge and was placed on probation for three years.

Larry Riffe entered a plea of not guilty. No further action has been taken in his case.

## Woman Admitted To Hospital After Accident

Judith A. Bensonhaver, 23, 724 Maplewood Ave., was admitted to Berger Hospital for observation Saturday following a two car collision 3:28 p.m. at the intersection of Mound and Scioto Streets.

Mrs. Bensonhaver was the driver of one of the cars involved. Driver of the other car was Carl Richard Burgoon, 34, 215 W. Mound St.

Burgoon told Circleville police the light was green. He was headed west on Mound St. Mrs. Bensonhaver said she did not know what color the light was.

## Local Legion Auxiliary Wins Award

The auxiliary of the Hall-Adkins American Legion Post of Circleville won honorable mention at a national legion convention for its child welfare program.

The award was presented at the 48th Annual National Convention of the American Legion Auxiliary in New Orleans recently.

Mrs. James Price of 550 Garden Parkway served as president during the 1967-68 program of the local post.

"Programming for Children in the Computer Age" was the theme presented at the planning session of the American Legion Child Welfare Commission at the beginning of the auxiliary year.

Mrs. Vernon H. Randall, National President of the Legion Auxiliary presided over the annual convention of the world's largest women's patriotic organization attended by more than 1,400 delegates.

Among the distinguished guests appearing before the Auxiliary Convention was Gen. Lewis W. Walt, vice commander of the United States Marine Corps.

Mrs. Stacy Day, Portsmouth, is serving this year as the seventh District President and was the official delegate from the Seventh District.

## Arabs Hit Israeli Patrol

TEL AVIV, Israel (AP) — A band of Egyptian commandos crossed the Suez Canal and laid an ambush for an Israeli patrol, the Israeli army charged today. The riders hit an Israeli truck with bazooka fire and light arms and injured an Israeli soldier, a spokesman asserted.

The ambush was laid on a waterside road in occupied Sinai, about three miles south of Little Bitter Lake and 10 miles north of the city of Suez on the southern neck of the canal. Firing began a half hour before midnight.

After the fight, "clear signs were found of a few people who came from the direction of the canal...and retreated to the canal," said the spokesman.

U.N. ceasefire observers were notified and visited the scene.

The situation along the canal border between Israel and Egypt has been tense since Aug. 26, when Israel claimed Egyptian raiders crossed the waterway, ambushed Israeli troops and carried a soldier off into Egypt. The Egyptians denied the charge.

## Soviets Launch New Satellite

MOSCOW (AP) — The Soviet Union launched the 243rd satellite in its Cosmos series today.

Tass said it carried equipment for space study and all instruments were working normally.

CONFERENCE DELEGATES — Logan Elm High School was one of more than 450 high schools in Ohio participating in the Third "Youth and Science" Conference held at Mershon Auditorium on The Ohio State University campus, Saturday, Sept. 21. Delegates attending were (left to right) Martha Hinton, Irene Hall, and Lynn McCoy. Host for the group was Forest Croman (right) a member of the Ohio Agricultural Council from Circleville.

He also predicted that the next Soviet feat would be a manned flight around the moon.

West Germany's Bochum Institute for Satellites and Space Exploration predicted that such a flight would be accomplished with a three-man spacecraft "this year or at latest in the first quarter of 1969."

"With his fantastic success, the U.S.S.R. is on the way to being the victor and being the first to reach the moon," said the institute's director, Heinz Kaminsky.

Western sources speculated that the scientific equipment aboard Zond 5 included cameras and that pictures were made of the moon's surface. If so, it would be the first time film was used to take pictures of the moon at such a close distance. Such pictures should be of better quality than the pictures transmitted from space by U.S. or Soviet mooncraft.

## Hippies Take Reverse Tour, Wander Through New York

NEW YORK (AP) — Tired of being gawked at by camera-toting tourists from the wilds of suburbia, a group of hippies from the Lower East Side turned the tables Sunday.

They took their own tour and stared at the suburbanites.

About 50 hippies, clad in their best beads and bells, paid \$5 each, then boarded a bus at St. Mark's Place, in the heart of the East Village, and set off for a day in Queens, a predominantly middle class borough of New York City.

The tour was the brainchild of Joe Skaggs, 23, an artist, who described the expedition as "a put-on of middle class values... a sort of cultural exchange."

The turned-on tourists got glimpses of such nonhippie strongholds as housing developments, bowling alleys, neatly manicured lawns and other middle class symbols of many of which the hippies left behind when they fled to the Village.

Included in the tour were several stops. During one of them—at a restaurant for ice cream—eight "straight" patrons fled through a side door when the hippies walked in.

Other Queens residents greeted the expedition with a mixture of surprise, skepticism and amusement.

### Wallace Outjumps Nixon, Humphrey

MARKSVILLE, La. (AP) — Wallace outjumped Nixon and Humphrey Sunday in the second annual Jaycee Frog Jumping Contest.

Wallace covered 5 feet, 2 inches in his three jumps, while Nixon went 4 feet, 9½ inches and Humphrey moved only 2 feet, 11 inches.

Yet even Wallace lost the race.

Sally, the champ, entered by Jackie Cox of Denham Springs, traveled 11 feet 11¼ inches to break last year's record of 10 feet, 9 inches.

The Japanese island of Hokkaido accounts for 20 per cent of Japan's land area, but supports only 5.4 per cent of the nation's population.

# Kennan Sees No Thaw With Russia Despite U.S. Hopes

By ENDRE MARTON  
Associated Press Writer

PRINCETON, N.J. (AP) — George F. Kennan, a leading expert on the Soviet Union, says it would be "pure madness" for President Johnson to travel to Moscow for a meeting with Russian leaders.

In an interview, Kennan, former ambassador to Moscow and Belgrade, said:

"The suggestion of such a meeting at this time smacks of one of the worst phenomena of American diplomacy in earlier years, namely: The abuse of external relations of our people as

a whole for the domestic-political advantage of a single faction or party. The idea of the President's going to Russia at this time strikes me as pure madness.

"What respect would the Russians pay to the word of a lame duck president?" Kennan asked. "What has Mr. Johnson to offer them? It is a bad policy to go and plead with people when you have no cards in your hands, no carrot and no stick."

The 64-year-old retired diplomat and scholar also said the invasion of Czechoslovakia last month by the Soviet Union and its Warsaw Pact allies caught the United States paralyzed,

just as it was during the 1965 Hungarian uprising.

"Unfortunately, our attention was and is diverted by crises in other parts of the world," he said.

"What could we have done in these situations if we had not been tied up with these other situations? We might, it seems to me, have at least proposed some modification of our military position in Germany as quid pro quo for Soviet forbearance in Hungary or in Czechoslovakia, as the case might be.

"We could have proposed, for example, a withdrawal of American forces from Bavaria (in

West Germany) or some other area in return for Russian withdrawal from Czechoslovakia.

"This might not have been accepted, but it would have given the Czechs a talking point in their dealings with the Russians and exposed the hollowness of the Russian claim that they needed for military reasons to station troops along the western border of Czechoslovakia. And there might have been people in the Soviet high command to whom such an offer would have had serious appeal."

When asked what the United States should do now to offset the Soviet intervention, Kennan, now teaching at the Institute for

Advanced Study, answered: "Perhaps move 100,000 men into Germany and tell the Russians: 'We will not take them out until you leave Czechoslovakia.'"

However, he went on, "The trouble is that we don't put any cards in the hands of those elements in the Soviet Union who never liked the idea of sending 300,000 or 400,000 men into Czechoslovakia in the first place and who might like to reverse this policy now."

During the wide-ranging interview in his spacious and comfortable study, Kennan discussed the general field of U.S.-Soviet relations and indicated he doesn't trust Russia now any more than he did before World War II.

"I have never understood this talk about detente (relaxation of East-West tensions). I have not seen any evidence of detente and I wouldn't trust any so-called detente if it is not supported by free contacts between governments and peoples."

However, he went on, such an atmosphere for cooperation "simply doesn't exist. Their conspiratorial method of diplomatic action cannot create such an atmosphere."

The agreements between Mos-

cow and Washington on nuclear nonproliferation have been progress, Kennan went on, but not detente. "This is simply the dictate of an obvious and bitter situation, presenting danger to both... The real test of relations would be if the Soviets permitted normal contacts between peoples."

"Any real detente would have to begin with agreement on the future of Eastern and Central Europe. But I don't see that anything has changed in this respect, or that we would be any closer to the solution of the German problem."

## Protesters Push Way Into Church

MILWAUKEE, Wis. (AP) — Antiwar demonstrators invaded a Roman Catholic church while Mass was being celebrated Sunday. Eight were taken into custody after the church rector was pushed to the sanctuary floor.

Msgr. James E. Kelly, rector of St. John's Cathedral, called the incident "blasphemy—close to sacrilege and bordering on desecration of the church."

About 40 demonstrators, some of them school teachers and many of them students at Roman Catholic Marquette University, had gathered at the church. They asked permission to read a statement from the pulpit urging the church to "actively resist war and racism."

Kelly, 73, said he was pushed to the floor by a bearded youth. Five policemen, called to the church by reports there would be a demonstration, moved into the sanctuary as worshipers stood and shouted for the protesters to leave.

However, he went on, "The trouble is that we don't put any cards in the hands of those elements in the Soviet Union who never liked the idea of sending 300,000 or 400,000 men into Czechoslovakia in the first place and who might like to reverse this policy now."

During the wide-ranging interview in his spacious and comfortable study, Kennan discussed the general field of U.S.-Soviet relations and indicated he doesn't trust Russia now any more than he did before World War II.

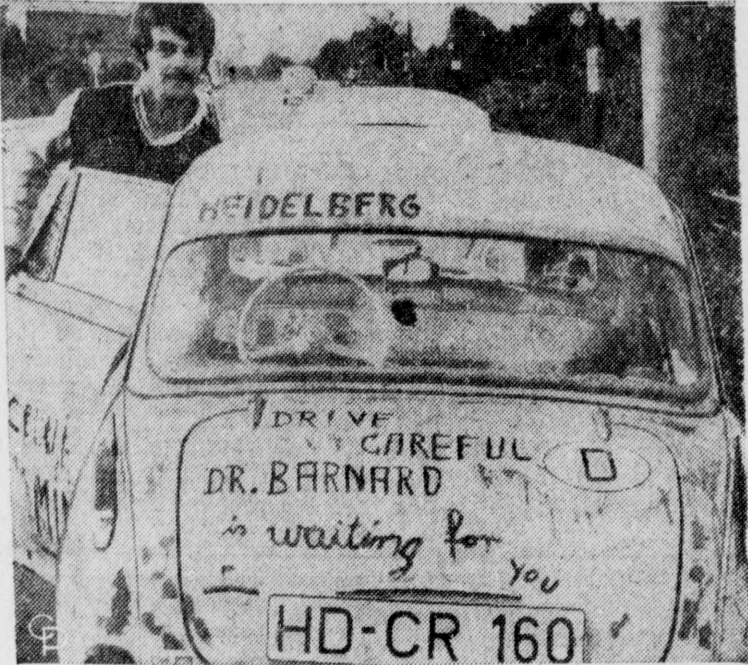

"I have never understood this talk about detente (relaxation of East-West tensions). I have not seen any evidence of detente and I wouldn't trust any so-called detente if it is not supported by free contacts between governments and peoples."

However, he went on, such an atmosphere for cooperation "simply doesn't exist. Their conspiratorial method of diplomatic action cannot create such an atmosphere."

The agreements between Mos-

cow and Washington on nuclear nonproliferation have been progress, Kennan went on, but not detente. "This is simply the dictate of an obvious and bitter situation, presenting danger to both... The real test of relations would be if the Soviets permitted normal contacts between peoples."

"Any real detente would have to begin with agreement on the future of Eastern and Central Europe. But I don't see that anything has changed in this respect, or that we would be any closer to the solution of the German problem."

GET THE MESSAGE?—This German student's grammar isn't so good, but he gets his message across on his weirdly-painted car in Heidelberg, West Germany. He obviously is referring to South African heart transplant specialist Dr. Christiann Barnard.

## Hippies Take Reverse Tour, Wander Through New York

NEW YORK (AP) — Tired of being gawked at by camera-toting tourists from the wilds of suburbia, a group of hippies from the Lower East Side turned the tables Sunday.

They took their own tour and stared at the suburbanites.

About 50 hippies, clad in their best beads and bells, paid \$5 each, then boarded a bus at St. Mark's Place, in the heart of the East Village, and set off for a day in Queens, a predominantly middle class borough of New York City.

The tour was the brainchild of Joe Skaggs, 23, an artist, who described the expedition as "a put-on of middle class values... a sort of cultural exchange."

The turned-on tourists got glimpses of such nonhippie strongholds as housing developments, bowling alleys, neatly manicured lawns and other middle class symbols of many of which the hippies left behind when they fled to the Village.

Included in the tour were several stops. During one of them—at a restaurant for ice cream—eight "straight" patrons fled through a side door when the hippies walked in.

Other Queens residents greeted the expedition with a mixture of surprise, skepticism and amusement.

"We're being invaded," cried one housewife, as the hippies de-bussed near her house. "It must be some kind of underground movie stunt," added her husband.

During a stop in Jamaica Estates, the hippies wandered around, snapping pictures of suburbanites watering their lawns and reading the Sunday papers.

"Hey what do you do at night around here?" one of the tour group asked a woman.

"Not much," she said. "We go to sleep early."

The tour ended with a happening in the Nirvana Headshop—a touch of hippiedom in Hillside, Queens—where four men and three women danced, nude, while an artist painted their bodies.

Bob Lake, who usually runs regular bus tours around Manhattan, acted as tour guide.

## Protesters Push Way Into Church

MILWAUKEE, Wis. (AP) — Antiwar demonstrators invaded a Roman Catholic church while Mass was being celebrated Sunday. Eight were taken into custody by police after the church rector was pushed to the sanctuary floor.

Msgr. James E. Kelly, rector of St. John's Cathedral, called the incident "blasphemy—close to sacrilege and bordering on desecration of the church."

About 40 demonstrators, some of them school teachers and many of them students at Roman Catholic Marquette University, had gathered at the church. They asked permission to read a statement from the pulpit urging the church to "actively resist war and racism."

Kelly, 73, said he was pushed to the floor by a bearded youth. Five policemen, called to the church by reports there would be a demonstration, moved into the sanctuary as worshippers stood and shouted for the protesters to leave.

CANDIDATES—As boys, these chaps shared one thing in common—willingness to work. The one on the left took odd jobs to help his family during the depression and worked hard to put himself through college. The one on the right worked summers as a bellboy and waiter so he could go to college. The youth at the left is Spiro T. Agnew, a prominent Republican, and on the right is Edmund Muskie, a prominent Democrat.

## Librarian Buys 83,000 Books

TORONTO (AP) — The chief librarian of York University went looking for an out-of-print book in Boston and came home with 83,000 volumes.

Dr. Thomas O'Connell, in New England on vacation, dropped into Starr's Bookstore seeking a book about Harry S. Truman. When the owner mentioned he was thinking of selling out O'Connell acquired the whole stock of books on American literature and other subjects.

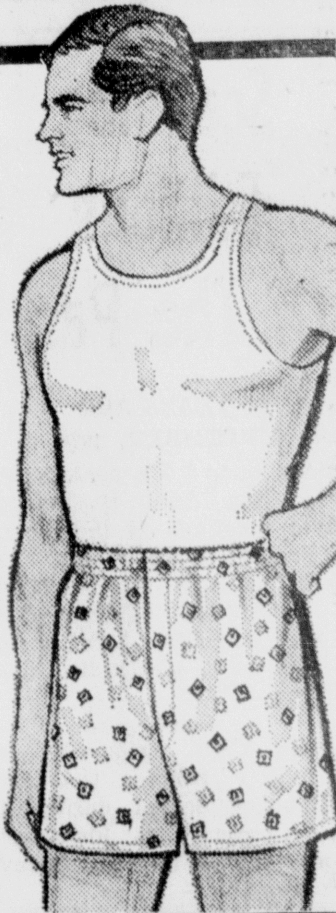

During the wide-ranging interview in his spacious and comfortable study, Kennan discussed the general field of U.S.-Soviet relations and indicated he doesn't trust Russia now any more than he did before World War II.

"I have never understood this talk about detente (relaxation of East-West tensions). I have not seen any evidence of detente and I wouldn't trust any so-called detente if it is not supported by free contacts between governments and peoples."

## Wallace Outjumps Nixon, Humphrey

MARKSVILLE, La. (AP) — Wallace outjumped Nixon and Humphrey Sunday in the second annual Jaycee Frog Jumping Contest.

Wallace covered 5 feet, 2 inches in his three jumps, while Nixon went 4 feet, 9 1/2 inches and Humphrey moved only 2 feet, 11 inches.

Yet even Wallace lost the race.

# Troubles Of 2 Democrats

By JOHN CHAMBERLAIN

LONDON — If Hubert Humphrey is seeking solace, he might do worse than have a chat with Britain's Prime Minister Harold Wilson about the ingratitude of constituents. For the same sort of erosion is apparent in the Democratic Party in America and in the Labor Party in Britain. One practical difference, of course, is that Wilson still has two or three years in office where Humphrey has only six weeks in which to do a major job or reconstruction.

Both Humphrey and Wilson are stuck with the problem of planning for full employment and high wages at home while attempting to cope with the perils of the outer world. Humphrey has his Vietnamese War; Wilson has his failing export trade. With a contrariness that must be driving both of the Left party leaders crazy, the opposition within their parties is unwilling to recognize the fact that no country can live to itself in the modern world without giving up the major benefits of a modern division of labor and a concert of energies to hold the balance of power against Communist expansion.

The British Trades Unions don't seem to care what happens to the pound, or the efforts to bring exports and imports into balance. The Wilson government, trying to keep prices within reach of foreign buyers by holding the line on

its "incomes policy," is spending less, taxing more, and deliberately accepting some increase in unemployment. And so the Trades Union Congress, meeting at Blackpool, announces its alienation from the Wilson regime. The TUC wants higher wages, escalating welfare measures, and the devil take the inflation. It doesn't matter to the Trades Union leaders that Mr. Wilson has no option outside his present course if Britain is to live, or if the Labor Government is to have any chance of creating an economic upturn in time to go to the voters with any confidence a couple of years hence.

To a visitor from America, the unions' attitude seems sheer pig-headedness. But this is politics. Hubert Humphrey is not troubled by the U.S. trade union leadership, most of which remains grateful for past favors. Practically every other element, however, in the "old coalition" of the Democratic Party seems unwilling to accept necessity. For example, the McCarthyites can't tell you how to get out of Vietnam and still keep the trust of allies, and in any case it will take a long, long time to extricate 500,000 soldiers from Southeast Asia without leaving millions of Catholics, anti-Communist South Vietnamese patriots, and Thieu-Ky office holders to a fate that might include massacre. The McCarthyites are blind to the fact that Humphrey will obviously go just as far toward peace as he can without wrecking U.S. credibility in the great East Asian circle from Japan and South Korea around to Thailand.

In the U.S. Nixon is appealing to the "forgotten people" — i.e., the small property holders who feel themselves menaced by collapse of law and order, the prospect of more taxes, and the advance of bureaucratic con-

trols. In Britain, the Tory leader, Edward Heath, formulates policies for his "forgotten people," too. He speaks of cutting direct taxation within a government budget that firmly controls State expenditures. Mr. Heath does not make quite the same sounds as Richard Nixon, for the small property holder in America is apt to be a union member who, with his good wages, has moved to a suburb and become more concerned with taxes and inflation. The average union member in Britain has not yet attained to the affluence of his brother in America; hence his lack of concern for inflation provided that wages keep pace with prices. Mr. Heath's "forgotten people" are the technicians, the shopkeepers, the farmers. These include many who used to follow Hugh Gaitskill when that "middle class" man led the Labor Party. Harold Wilson held this grouping in the vast sweep that put Labor in power a few years ago. He is obviously appealing to them to accept his "incomes policy" in order to revive Britain as an international trader. But the record of Labor defeats in the by-elections would seem to prove that the "forgotten people" in Britain are just as restive as they are in America.

The comparisons show that the Left in both democracies is losing the glue that used to bind its various factions together. If the Right in the two countries can only discipline itself to follow "moderate" — Nixon in America, Heath in Britain — without listening to the siren song of the Wallaces, the last third of the Twentieth Century will have an entirely different flavor from the one we have all tasted since 1933.

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail: Even among men who consider themselves healthy, the chances are one in five that they'll have a heart attack before their 60th birthday.

One of America's most colorful battlefield commanders, the late Gen. George S. Patton Jr., also renowned for his deep knowledge of military history, never learned to read and write until he was 12.

Add the picturesque windmills of Holland to the victims of progress. They still look fine on post cards, but their task of removing excess water from the Netherlands has been taken over by electric pumps.

Here's why you need regular exercise: about half of your body weight is made up of 10 million muscle cells. Unless you flex the muscles, they weaken into flab.

A student's intelligence quotient can be affected by the outlook of his teacher. Studies by a Harvard psychologist found that teachers with positive attitudes could increase the I.Q. of students by as much as four points within a single school year. Negative-minded teachers held the students back.

Nutrition experts believe most Americans probably eat too little in the morning and too much at night. Their recommendation: eat two-fifths of your daily caloric intake for breakfast, two-fifths at lunch, and only one-fifth during your evening meal.

Quotable notables: "My grandfather, Frank Lloyd Wright, wore a red sash on his wedding night. That is glamor!" —Actress Anne Baxter.

Safety in age: Some medical authorities question the wisdom of the mandatory rule retiring commercial pilots at 60. Tests have shown that they respond better to stress situations than younger pilots. And government studies reveal that the accident rate among nearly 10,000 licensed flyers aged 60 and over is lower than for any other age group except those in the 45-49 bracket, whose safety record is only slightly superior.

Drinking problems: Schools and colleges today need to have alcohol education programs, says the National Institute of Mental Health. It points out that 60 per cent of teenagers now drink before leaving high school, drinking is no longer taboo at many colleges, and more than half a dozen even serve beer on campus.

Botanical myth: Did you think, as most people do, that sunflowers always turn their petals toward the sun? Well, they don't. Prevailing winds often determine the direction in which the blossom head faces.

Worth remembering: "Juvenile delinquency is the result of parents trying to train children without starting at the bottom."

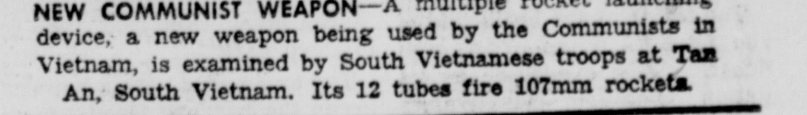

History lesson: Can you identify the U.S. presidents who bore the following nicknames: "Old Fox," "Sectional President," "Veto President," and "Boss"? They were, in order, George Washington, Abraham

Lincoln, Grover Cleveland, and Franklin D. Roosevelt.

Disenfranchised: Millions of Americans may lose their voting rights, come November, because one out of six persons in our nomadic population will have moved to another state during the year. A residence of six months to a year is required of voters by most states. In New York the period is only three months—in Mississippi it is two years.

Prosperity note: More Americans should eat high on the turkey this Thanksgiving. In 1940 the United States had 35 million turkeys, one for every four persons. This year the supply is more plentiful—about one for every two persons, theoretically allowing a drumstick for nearly everybody.

It was E.W. Howe who observed, "I think I am better than the people who are trying to reform me."

# Richard Harris

By BOB THOMAS  
AP Television-Movie Writer

HOLLYWOOD (AP) — "There's no sense in playing Hamlet unless you can do something different with it or shed new light. Richard Burton's Hamlet was disgraceful; it had nothing to say. I have a totally new concept, something that has never even been dreamed of before. It is going to be sensational."

There can be no doubt that Richard Harris is Irish. The confirmation comes when you hear him spinning dreams about his playing Hamlet. Yet it apparently is no dream. At least Paramount doesn't think so, having invested a million dollars so Harris can present his own interpretation of the gloomy Dane to the London stage and film audiences everywhere.

Harris is a man to whom nothing seems impossible. He decided he wanted to play King Arthur in "Camelot," and he sold Warner Brothers and director Josh Logan on the idea. He wanted to enter the pop music field, and he sold more than a million copies of his first record, "MacArthur Park."

"Hamlet" seems like a more formidable challenge.

"I admit it," said the actor, covered with coal black for his role in "The Molly Maguires."

"An actor would be taking a terrible chance trying Hamlet at this particular time. David Warner recently did it in England. Burton's Hamlet was widely shown, and Laurence

Olivier's film is still around." (Also, Christopher Plummer's TV effort at Elsinore, Maximilian Schell's German version, plus the derivative "Rozencranz and Guildenstern are Dead" on the stage and soon to be a film.)

"But Hamlet is still one of the greatest roles ever written and it deserves to be done again—if you can bring something fresh and new to it. And I will. I have been wrestling with this problem for six years. Then one night last year at Malibu after I had finished a day's work on "Camelot," it came to me in a blinding flash."

Harris imparted his find to a few writers, producers and directors; all were struck by the originality of it, he said. He won't reveal what the concept is. In fact, he plans to ban audiences from preview performances in London lest the secret leak out.

A key to the Harris Hamlet may be in the choice of his Ophelia—Faye Dunaway. Yes, that's right Faye Dunaway.

"Most Ophelias are weak, wispy characters," Harris remarked. "Faye will be entirely different, and she will be terrific! She and I have been discussing the play for two years—before she did 'Bonnie and Clyde.'"

"I fully expect to get clobbered by the right-wing, traditionalist critics," Harris admitted. "But those who come with an open mind will find something new and exciting."

Generally, it is a good investment to have the ear canal cleaned by your doctor. The blunt instruments he uses, and the gentle syringing, clean the ears without the possibility of injury.

I'd like to introduce another danger that is commonly overlooked; one which can be injurious to the eardrum. During rough house an open palm slap on the ear can cause a sudden increase of pressure and easily rupture the eardrum. Almost always this is followed by bleeding which can be readily controlled. There are now a number of excellent ways by which such injuries to the eardrum can be treated and made to heal so that it finally returns to being completely normal. An injury to the ear must be treated early. Better still, most of them can be avoided.

Is there any danger to order dental plates by mail?

Mail order dentistry and medicine must, necessarily, be hazardous. I have seen the advertisement that give very specific instructions as to how to measure the width of the mouth and the height of the gum margin. It is almost impossible for me to believe that there are people who are naive enough to believe they can possibly order dentures that will fit securely and not injure the sensitive tissues of the mouth. This is a danger even if the

I'd like to introduce another danger that is commonly overlooked; one which can be injurious to the eardrum. During rough house an open palm slap on the ear can cause a sudden increase of pressure and easily rupture the eardrum. Almost always this is followed by bleeding which can be readily controlled. There are now a number of excellent ways by which such injuries to the eardrum can be treated and made to heal so that it finally returns to being completely normal. An injury to the ear must be treated early. Better still, most of them can be avoided.

Is there any danger to order dental plates by mail? Mail order dentistry and medicine must, necessarily, be hazardous. I have seen the advertisement that give very specific instructions as to how to measure the width of the mouth and the height of the gum margin. It is almost impossible for me to believe that there are people who are naive enough to believe they can possibly order dentures that will fit securely and not injure the sensitive tissues of the mouth. This is a danger even if the

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Even among men who consider themselves healthy, the chances are one in five that they'll have a heart attack before their 60th birthday.

One of America's most colorful battlefield commanders, the late Gen. George S. Patton Jr., also renowned for his deep knowledge of military history, never learned to read and write until he was 12.

Add the picturesque windmills of Holland to the victims of progress. They still look fine on post cards, but their task of removing excess water from the Netherlands has been taken over by electric pumps.

Here's why you need regular exercise: about half of your body weight is made up of 10 million muscle cells. Unless you flex the muscles, they weaken into flab.

A student's intelligence quotient can be affected by the outlook of his teacher. Studies by a Harvard psychologist found that teachers with positive attitudes could increase the I.Q. of students by as much as four points within a single school year. Negative-minded teachers held the students back.

Nutrition experts believe most Americans probably eat too little in the morning and too much at night. Their recommendation: eat two-fifths of your daily caloric intake for breakfast, two-fifths at lunch, and only one-fifth during your evening meal.

Quotable notables: "My grandfather, Frank Lloyd Wright, wore a red sash on his wedding night. That is glamorous!" —Actress Anne Baxter.

Safety in age: Some medical authorities question the wisdom of the mandatory rule retiring commercial pilots at 60. Tests have shown that they respond better to stress situations than younger pilots. And government studies reveal that the accident rate among nearly 10,000 licensed flyers aged 60 and over is lower than for any other age group except those in the 45-49 bracket, whose safety record is only slightly superior.

Drinking problems: Schools and colleges today need to have alcohol education programs, says the National Institute of Mental Health. It points out that 60 per cent of teen-agers now drink before leaving high school, drinking is no longer taboo at many colleges, and more than half a dozen even serve beer on campus.

Botanical myth: Did you think, as most people do, that sunflowers always turn their petals toward the sun? Well, they don't. Prevailing winds often determine the direction in which the blossom head faces.

Worth remembering: "Juvenile delinquency is the result of parents trying to train children without starting at the bottom." History lesson: Can you identify the U.S. presidents who bore the following nicknames: "Old Fox," "Sectional President," "Veto President," and "Boss"? They were, in order, George Washington, Abraham

Newcastle may never run out of coal, but recently workers walked off their job in an Ohio plant manufacturing air conditioners when they claimed the place was too warm to work in. Guess the boys figured there was nothing to do but cool their heels.

Disenfranchised: Millions of Americans may lose their voting rights, come November, because one out of six persons in our nomadic population will have moved to another state during the year. A residence of six months to a year is required of voters by most states. In New York the period is only three months—in Mississippi it is two years.

Prosperity note: More Americans should eat high on the turkey this Thanksgiving. In 1940 the United States had 35 million turkeys, one for every four persons. This year the supply is more plentiful—about one for every two persons, theoretically allowing a drumstick for nearly everybody.

Sir: From the youngest to the oldest festival in Ohio, may we question the powers of observation and perhaps the sober judgement of the members of the Circleville Fraternal Order of Police who recently completed the long and tiring safari to our historic City of Lebanon to enter, under the name of our own F.O.P., their float in our First Annual Ohio Honey Festival parade. We also, we think, could question your acceptance of their statement that our parade consisted of but four horses, a motorcycle and their F.O.P. float.

The parade the first night, Thursday, having been whipped together in a short six week period we admit, only had six bands, nine floats, fourteen antique cars, ten escort cars and a few other odds and ends including the horses and the motorcycle which by the way was decorated to represent a honey bee. We have no idea where the F.O.P. boys were when the parade went by but they evidently were not looking in the right direction — if at all! By the way their float took the third prize which gave someone a nice \$40 prize to take home.

A retraction would be appreciated and if published might make us forgive you enough to bring our own Ohio Honey Festival Queen to Circleville for your Pumpkin Festival. Please extend our best wishes to your Ned Harden for his most valuable help and you might also tell him that his original estimate of 50,000 was not too far off — Gooding amusement Company estimated our total as being between 50,000 and 54,000 folks.

40 YEARS AGO  
SEPTEMBER, 1928

More than 5,000 persons attended the final session of prayer meetings at the Mount of Praise Campgrounds. An offering of \$4,500 was taken for the construction of new dormitories and other building for the campus of Circleville Bible College.

Claude Kraft, Arthur Moore and Walter Kinder tied for blind bogey scores during a tournament at Pickaway Country Club. The blind bogey score was 78.

Circleville City Council adopted a resolution to place a \$75,000 bond issue on the Pickaway County ballot. The money would be used for a municipal hospital.

The board of education at New Holland, because of an unexpected high enrollment of pupils, was forced to rent two rooms in Fayette County to accommodate students. It was estimated a new school for New Holland would cost \$60,000.

All canning plants in the area were in full swing putting up sweet corn. One plant estimated it had three more weeks of work and another reported canning 60 to 70 loads of corn a day.

Officials from Circleville, Portsmouth, Chillicothe and Waverly took a protest against concrete paving of Route 23 to the Ohio governor. The delegation wanted the road paved in bricks.

The Gentry Brothers Circus came to Circleville, bringing back recollections of the past to the older county residents.

Thirty-three Circleville High school boys answered the call and signed up for football. The first scrimmage session was against an alumni team.

## TODAY In History

By THE ASSOCIATED PRESS  
Today is Monday, Sept. 23, the 267th day of 1968. There are 99 days left in the year.

Today's highlight in history: On this date in 1952, Richard M. Nixon, campaigning for the vice presidency, went on nationwide radio and television to refute allegations of wrongdoing in accepting an \$18,000 "expense fund."

On this date—In 1789, the U.S. Supreme Court was established.

In 1806, Lewis and Clark completed their expedition to explore territory west of the Mississippi River.

In 1845, the first baseball club in the United States, the Knickerbocker Club of New York, was organized.

In 1926, Gene Tunney won the world's heavyweight boxing championship from Jack Dempsey in Philadelphia.

In 1949, the Internal Security Act was adopted by Congress over President Harry S. Truman's veto. It provided for the registration of Communists and their internment in times of emergency.

## Dear Abby: By Abigail Van Buren

### Call for Prayers Smells of Mischief

DEAR ABBY: Last month my husband was arrested and fined for drunken driving. (His first offense.) He HAD BEEN drinking and he WAS driving, so technically he was guilty, altho the write-up in the newspaper made it sound much worse than it really was.

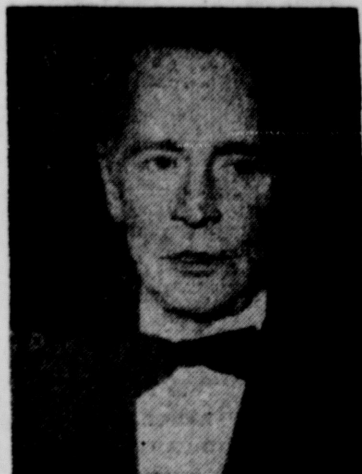

We were so ashamed and embarrassed when it appeared in print.

Well, worse yet, the following weekend we drove to our former home town, which is 300 miles from here, to visit friends. When we got there, we learned that a "friend" who lives in the city where we presently live had mailed copies of that write-up to practically everybody we knew in our old home town. She excused it by attaching a note saying she knew they would want to know so they could pray for us.

What is your opinion of this deal?

DEAR HEARTSICK: It smells of mischief. Your holier-than-thou friend is, in my opinion, far more in need of prayers than you.

DEAR ABBY: The other

### Maddox's Wife May Be Candidate

ATLANTA, Ga. (AP) — Gov. Lester Maddox says his wife "is not disinterested" in running for governor to succeed him but that she is not thinking much about it now.

Maddox said earlier that his wife might run to succeed him like the late Gov. Lurleen Wallace succeeded George C. Wallace in Alabama.

Mrs. Maddox said she is usually the last one to hear about her husband's political decisions. For example, she said, "I first heard about this one on the radio."

morning while taking the groceries out of the car, I noticed several loose beads on the front seat.

Naturally I became upset because they were not my beads and no one besides my husband and I ever drive our car. When I showed the beads to my husband and asked him how they got there, he said he didn't know.

Since I am the only woman who has ridden in that car other than his mother, I cannot help but wonder.

I told my husband that since he didn't know how they got there, he should try to find out in order to ease my mind.

He said, "Look, kid, I am not on trial, and I am not going to bother."

I love him and I want to believe him, but the doubts are still there. What would you do in this situation?

SICK AT HEART

DEAR SICK: I'd make a mental list of all the ways those beads could have gotten into the car. (1) Someone could have thrown them thru an open window. (2) A parking attendant could have invited his girl friend to go for a spin around the block, or to sit with him while they listened to your radio and wore down your battery. But whatever you do, DON'T mention this to your husband again.

DEAR ABBY: This probably sounds dumb, but it bothers me. When you go to a movie with a guy and a love scene comes on the screen, what should you do? I mean, I hate to just sit there and act bored.

Sometimes, tho, the guy I'm with figures we're supposed to follow suit, and a lot of times I don't want to kiss him. I loathe the method of pretending to "drop" something—it's so childish, but what ARE you supposed to do?

WONDERING  
DEAR WONDERING: Kissing is (or should be) a spontaneous expression of honest affection. Let your own emotional barometer dictate your behavior. If you don't want to kiss your date, don't "drop" anything, except the unquestionable impression that you don't want to be kissed.

CONFIDENTIAL TO DOLLY: No, it is not "childish" to seek advice. It is more childish to remain ignorant and pretend you know all the answers. (Nobody does.)

### U.S. House Hit By Congressman

KANSAS CITY (AP) — Rep. Richard Bolling, D-Mo., said the U.S. House of Representatives has been allowed to atrophy and become the weakest link of government.

Speaking to the American Chemical Society, the legislator said the archaic structure of the House is responsible for its poor record.

If a member lives long enough, he said, and gets elected often enough he eventually will become chairman of some committee.

"You can believe the world is flat," Bolling said, "and be named chairman of the Atomic Energy Committee."

## The Big Squeeze Is On To Use Fresh Squash

By ALICE DENHOFF

Squash is what's cooking today, and a welcome addition to the fresh vegetable selection it is, too. Harvested before the seeds harden, squash need not be pared, and even the seeds are edible. The name was coined by the Indians of the northeastern Atlantic area who enjoyed eating fresh squash raw. Squash is quick to cook with no waste and supplies liberal amounts of the important vitamins A and C.

### SUMMER SQUASH WITH CHIVES

1 tsp. salt  
Dash pepper  
2 tsp. snipped fresh chives  
Wash squash; cut into 1/2" cubes. Melt butter in medium-sized saucepan. Add squash, salt and pepper; cover tightly. Cook over low heat 12 to 15 min. or until just tender. Do not drain. Mash well; mix in chives.

### CREAMED SUMMER SQUASH

2 lb. fresh summer squash  
1 tsp. salt  
1/4 tsp. pepper  
1/4 c. water  
2-3 c. sour cream  
2 tsp. lemon juice  
1 tsp. sugar  
Wash squash. Cut in

crosswise halves, then cut each half into 4 long wedges. Place in large skillet. Sprinkle salt and pepper over squash. Add water. Cover tightly and cook over low heat about 12 min. or until just tender. Stir remaining ingredients into squash, stirring gently to blend well. Heat over low heat to serving temperature, stirring from time to time.

This serves 4.

### SKILLET SUMMER SQUASH

1/4 lb. bacon  
2 lb. fresh summer squash  
1/2 tsp. salt  
Saute bacon in 10" skillet until crisp. Remove bacon and drain on absorbent paper. Pour off all but 2 tbsp. bacon drippings.

Meanwhile, wash squash and cut into crosswise slices about 1 1/2" thick. Place squash slices in skillet.

Cover tightly and cook over low heat about 12 min. or until just tender. Season with salt. Stir constantly. Just before serving, crumble reserved bacon over squash.

Serves 4.

## Collage Workshop Set For Exhibitors

Mrs. G. Guy Campbell, chairman of the Pumpkin Show Flower Show committee has planned a workshop for exhibitors wishing to enter the collage class entitled "Litter Bug."

The workshop is for those unfamiliar with the techniques of collage making. It will be held Wednesday at 10:30 a.m. in the home of Mrs. Richard E. Jones, Route 4, Circleville.

Instructors will be Mrs. William Defenbaugh and Mrs. Turney Pontius.

Persons attending the workshop, which is open to all Pumpkin Show exhibitors, are asked to bring glue, a one inch paint brush and some dried material.

Background will be provided by the instructors.

People who plan to stay for the afternoon session are to bring a sack lunch. Tea and coffee will be provided.

## Legion Auxiliary Schedules Session

American Legion Auxiliary will meet 8 p.m. today at the Post Home, Route 23, South.

So much debris from World War II litters the islands of Micronesia that scrap metal ranks as the United States' most valuable export, after copra, the National Geographic says.

Methodist Church 9 a.m. at the church Service Center.

Plant breeders at the Missouri Farmers Association research nursery in Columbia think the plant with upright leaves can absorb more sunlight, which will result in more corn per acre.

## Scranton Woman Better Next Day... Pain Of Piles Relieved

Treatment Promptly Relieves Pain, Itching In Most Cases

Scranton, Pa. Mrs. J. Straniere, Jr. of this city writes: "When I had our son, I got hemorrhoids and how painful. My husband bought Preparation H for me. The next day, I was much better — just after using it once."

(Note: Doctors have proved in most cases—Preparation H® actually shrinks inflamed hemorrhoids. In case after case, the sufferer first notices prompt relief from pain, burning and itching. Then swelling is gently reduced.

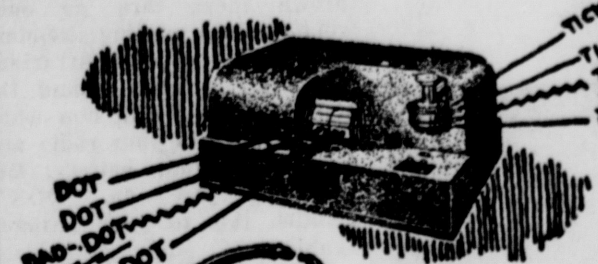

There's no other formula for the treatment of hemorrhoids like doctor-tested Preparation H. It also lubricates to make bowel movements more comfortable, soothes irritated tissues and helps prevent further infection. In ointment or suppository form.)

INDIANS WANT LAND RETURNED—Representatives of the Taos Pueblo Tribe ask the Senate Subcommittee on Indian Affairs in Washington to return 48,000 acres of land known as the Blue Lake area in northern New Mexico. The land was taken in 1906, made part of National Forest Preserve.

## The Big Squeeze Is On To Use Fresh Squash

By ALICE DENHOFF

Squash is what's cooking today, and a welcome addition to the fresh vegetable selection it is, too. Harvested before the seeds harden, squash need not be pared, and even the seeds are edible. The name was coined by the Indians of the northeastern Atlantic area who enjoyed eating fresh squash raw. Squash is quick to cook with no waste and supplies liberal amounts of the important vitamins A and C.

### SUMMER SQUASH WITH CHIVES

2 lb. fresh summer squash  
1/4 c. butter or margarine  
1 tsp. salt  
Dash pepper  
2 tsp. snipped fresh chives  
Wash squash; cut into 3/4" cubes. Melt butter in medium-sized saucepan. Add squash, salt and pepper; cover tightly. Cook over low heat 12 to 15 min. or until just tender. Do not drain. Mash well; mix in chives.

### CREAMED SUMMER SQUASH

2 lb. fresh summer squash  
1 tsp. salt  
1/4 tsp. pepper  
1/4 c. water  
2/3 c. sour cream  
2 tsp. lemon juice  
1 tsp. sugar  
Wash squash. Cut in

crosswise halves, then cut each half into 4 long wedges. Place in large skillet. Sprinkle salt and pepper over squash. Add water. Cover tightly and cook over low heat about 12 min. or until just tender. Stir remaining ingredients into squash, stirring gently to blend well. Heat over low heat to serving temperature, stirring from time to time.

### SKILLET SUMMER SQUASH

1/4 lb. bacon  
2 lb. fresh summer squash  
1/2 tsp. salt

Saute bacon in 10" skillet until crisp. Remove bacon and drain on absorbent paper. Pour off all but 2 tbsp. bacon drippings.

Meanwhile, wash squash and cut into crosswise slices about 1 1/2" thick. Place squash slices in skillet.

Cover tightly and cook over low heat about 12 min. or until just tender. Season with salt. Stir constantly. Just before serving, crumble reserved bacon over squash.

# Solo Voyager William Willis Feared Lost

Soviet Vessel Finds Sailboat; Seafarer Missing

MOSCOW (AP) — William Willis, the 75-year-old American who floated across the Pacific Ocean alone on a raft four years ago, is believed lost on his third attempt to cross the Atlantic.

A Soviet fishery ship came upon a de-masted, deserted sailboat on which Willis' passport, medical card, other documents and a diary were found, Tass, the Soviet news agency, reported Sunday.

The boat was found in the Atlantic about 400 miles west of Ireland by a fisheries ship from the Latvian town of Leipaja. Tass said it was hoisted aboard the Soviet ship after a futile search for Willis. But the report did not indicate where the boat and the papers would be taken.

Tass said the passport was numbered 22757 and had been issued in New York City on March 18, 1968. It gave Willis birth place, Germany, and his date of birth, Aug. 19, 1893.

The diary indicated Willis had set out on a round-the-world voyage alone May 3, 1968. Tass said the last entry in the diary was July 18.

In New York, Willis' wife said, "I still have hopes until the Coast Guard lets me know officially."

The Coast Guard in New York said it had not been informed by the Russians. It added it was difficult to check the passport number given by Tass since it contained five instead of the usual six digits and did not have a letter preceding it.

# Peru Dispute Brings Party Turmoil

LIMA, Peru (AP) — A dispute between President Fernando Belaunde Terry and his ruling Accion Popular party over a controversial oil contract resulted in a sharp and perhaps decisive rebuff to Belaunde Sunday.

The president on Saturday called for a reorganization of the party and replacement of Edgardo Seoane Corrales as the party's presidential candidate next year.

Seoane, first vice president under Belaunde, angered the president by asking in a television appearance for nullification of a new contract between the government and the International Petroleum Corp.

A party meeting ruled Sunday that Belaunde's move was "antistatutory," a ruling that was certain to heat up the controversy over the contract.

Some observers felt the situation was so serious that a coup or other drastic government shakeup might be imminent.

The contract, signed Aug. 13, provides for the government to take over oil fields in northern Peru formerly operated by the IPC. The controversy was touched off when the former head of the state petroleum agency claimed that page one of the contract, stipulating payment in dollar equivalent, was missing.

# Local Dems Greet HHH

A delegation representing Pickaway County Democrats was in Columbus Saturday to greet vice president Hubert H. Humphrey on his Presidential campaign stop to Ohio's capital city.

William Stout, chairman of the Pickaway County executive committee; Hewitt Cromley, chairman of the central committee; Martha Purcell; vice chairman of the executive committee; Margaret Crises, chairman of the women's Democrat Club, and Judge Guy Cline attended the \$100 a plate fund raising dinner held in Columbus.

In addition there was a busload of young Democrats from the Circleville area in Columbus to greet the presidential candidate.

The Adelphi Community Band, which has several members living in Pickaway County, played at the airport when Humphrey's plane arrived.

# Jim Backus Fills Paul Ford Job

LOS ANGELES (AP) — Comedian Jim Backus will open Tuesday in the play "Captain Brassbound's Conversion" in place of actor Paul Ford, who collapsed during a preview performance.

Ford, 66, was ordered Saturday by his doctor to leave the play for at least two weeks.

# No Soviet Pullback Seen Despite Czech Statement

PRAGUE (AP) — No definite signs could be seen today of the partial Soviet troop withdrawal announced by Premier Oldrich Cernik during the weekend.

Cernik said in a speech Saturday that "a phased withdrawal of foreign troops from Czechoslovakia will begin in the next few days" although "certain contingents of foreign troops will remain."

His statement was not echoed in Moscow nor was it included in a report on his speech by the Czechoslovak Communist party paper Rude Pravo. Other Prague newspapers and the official radio reported it.

Troop movements were reported in southern Bohemia, but some military observers said they believed the Soviets were reinforcing the border with Austria.

# Home-Health Graduation Monday Night

Eleven Home-Health Aides sponsored by PICCA (Pickaway County Community Action) will receive diplomas Monday night at the group's Board of Trustees meeting at the Episcopal Parish House.

They are Bobbie Nell Jones, Linda Martin, Helen Adams, Janice Greeno, Wilma Cardenas, Linda Sue Colburn, Bernice Martin, Mae Belle Godby, Nellie Conkel, Sharon Adams, and Edith Dumm. All are residents of Pickaway County.

The women have been studying home management and nursing assistance for the past two months.

Mrs. Jane Estenson, director, has had overall charge of the teaching, assisted by Mrs. Anita Hayne and Mrs. Jane Feldman, nurses for the program, and Mrs. Marjorie Kaiser Wolford, Home Economist with the Agricultural Extension Service.

INCLUDED in the training were field trips to Grant Hospital, Columbus, a Columbus Child Day Care Center, Chillicothe Veterans Hospital and Orient State Institute.

Training also included instruction in general dietetic services, child care and development, and maternal and child health. They attended lectures on family planning and the early detection of cancer.

The New Aides will continue working with PICCA's Comprehensive Health Program.

# Local Man Fined For Shoplifting

Edgar E. Nungester, 19, 184 Fairview Ave., was fined \$25 and costs for shoplifting by Municipal Court Judge Sterling Lamb Friday.

Nungester entered a plea of guilty to the charge filed by Nancy Wardlow, a Kroger employee. He was accused of taking a can of boot polish and four batteries. The fine was suspended by Judge Lamb.

Also in Court Friday was Ronnie Hamilton, 24, 113 N. Scioto St., accused by Circleville Policeman William Pontious of discharging firecrackers. Hamilton was fined \$25 and costs.

Delos Humphries, 450 Faye Ave., was fined \$10 and costs with the fine suspended on a charge of failing to keep his dog confined. He pleaded guilty to the charge filed by Ralph Wallace, Pickaway County Dog Warden.

**CLAIM WALLACE**  
COLUMBUS, Ohio (AP) — Former ambassador to Poland and U.S. postmaster John A. Gronowski said this weekend that third party presidential candidate George C. Wallace is running a campaign to attract bigots.

# Defense Bill Faces More Senate Cuts

WASHINGTON (AP) — The \$71.9 billion defense-spending bill, already trimmed \$5 billion below President Johnson's requests, is facing attempts for even more cuts in the Senate.

New cuts were proposed in a series of amendments, before the Senate for action today, offered by Sen. Joseph Clark, D-Pa., who argues that domestic programs have suffered because the Defense Department gets too big a share of the budget.

About a third of the appropriation is earmarked for Vietnam. Efforts to cut the defense appropriation below committee recommendations have failed in the past. Key members of the military appropriations subcommittee argue further reductions could jeopardize national security.

Johnson asked for \$77.1 billion, the House approved \$72.2 billion and the Senate Appropriations Committee cut nearly \$353 million more.

Differences between the Senate and House versions will be resolved in conference.

# Claim Wallace Attracting Bigots

COLUMBUS, Ohio (AP) — Former ambassador to Poland and U.S. postmaster John A. Gronowski said this weekend that third party presidential candidate George C. Wallace is running a campaign to attract bigots.

Gronowski, here for the Ohio Democratic State Convention, said he feels Wallace's campaign will not be bought by the voters in November. He believes Wallace's vote will fall short of the 19 per cent now predicted by pollsters.

# Family Planning Clinic Now In Its Second Year

**EDITOR'S NOTE:** Following is one in a series of articles on the participating agencies of the 1968 Community Fund Drive. Goal this year has been set at \$55,000. Each of the articles will be written by a volunteer of the agency.

**By DENNIS BLECHA**  
Every child a wanted child! Parents and children alike

derive priceless meaning from these words. A planned for and wanted family is much more likely to be a secure and happy family.

"Every child a wanted child" is the goal of the Pickaway County Family Planning Association. The group, formed early in 1967 to promote planned parenthood, has been holding regular biweekly clinic sessions since May 1967. To date, more

than 75 patients have been examined and are receiving family planning and birth control information, education and material. Persons attending the clinic have come from Ashville, Williamsport, Darby, Circleville, Stoutsville, New Holland, and the surrounding area.

The 1967-68 Family Planning goal of providing examinations and services to 75 patients has been reached. A great need is obviously being filled as the patient load increases at every clinic session. Your 1967-68 Community Fund dollar helped finance the necessary medical supplies, information and training literature, and minimum general clinic facilities. Your 1968-69 Community Fund dollar will help provide expanded clinic facilities to handle the greater public response as well as continue to provide necessary medical supplies and family planning-birth control information and education.

Clinic sessions held the second and fourth Monday of each month from 7-9 p.m. at Berger Hospital help patients space their children and control the size of their families as they desire. Services offered include a Pap Smear done by the physician in attendance before any medication is given. Medical checkups are done at intervals set up by the examining physician. Trained workers instruct the women in birth control methods. Physicians, nurses, and workers all volunteer their time and skill.

Transportation to the clinic sessions is available to those women who need it. Interested persons should call 474-2479 or 474-4801 for more information.

Who is eligible for Family Planning services? All married persons and persons contemplating marriage (minors with parental consent) who are unable to obtain birth control services from a private physician, hospital, or clinic are eligible. Clinic services are given to persons voluntarily seeking them consistent with their own personal and religious beliefs. No patient is denied service because of inability to pay.

How about helping every child born to be a wanted child — through your gift to the Community Fund.

# Ohio Demos Hit Ferguson Act

COLUMBUS, Ohio (AP) — Ohio Democrats campaigning for state office this year will be expected to follow a platform which includes repeal of the Ferguson Act and a call for a lower voting age.

The platform, adopted Saturday near the end of the party's state convention here, also calls for a stronger state Civil Rights Commission, penal reform and a grand jury investigation of the recent Ohio Penitentiary riots and legislation giving all Ohio workers the right to join labor organizations.

The only change in the proposed platform specifically named migrant workers among those it said should have the right of collective bargaining.

Other major points in the platform:

—Higher standards, pay and training for all law officers.

—Open meetings for all public bodies except those specifically exempted by law.

—Up to 50 per cent of state aid to local school districts.

—A voting age of 18 and voter residence requirements of six months instead of one year.  
—Correction of "inequities in the present tax structure of our state."

—A stronger department of insurance and increased protection for policyholders from "arbitrary cancellations and rate increases."

—Encouraging business to locate in depressed areas.

—Improved salaries for all persons working in mental health.

# Wood County Man Found Slain

BOWLING GREEN, Ohio (AP) — An investigation was continuing today in the death of William M. Bennett, 46, of rural Millbury, Wood County.

Sheriff Earl Rife said Bennett, whose body was found in a car Saturday on a county road, definitely was a homicide victim. The sheriff would not say how Bennett died. A coroner's investigation report was expected early this week.

# WOMEN OFTEN HAVE BLADDER IRRITATION

Common Kidney or Bladder Irritations affect twice as many women as men, often causing tenderness and nervousness from frequent, burning, itching urination. Secondly, you may lose sleep and have headaches, backaches and feel older, tired, depressed. In such cases, CYSTEX usually brings relaxing comfort by curbing germs in acid urine, and easing pain. Get CYSTEX at drugists today.

# ONE POWERFUL REASON ...there'll always be a South Central Country

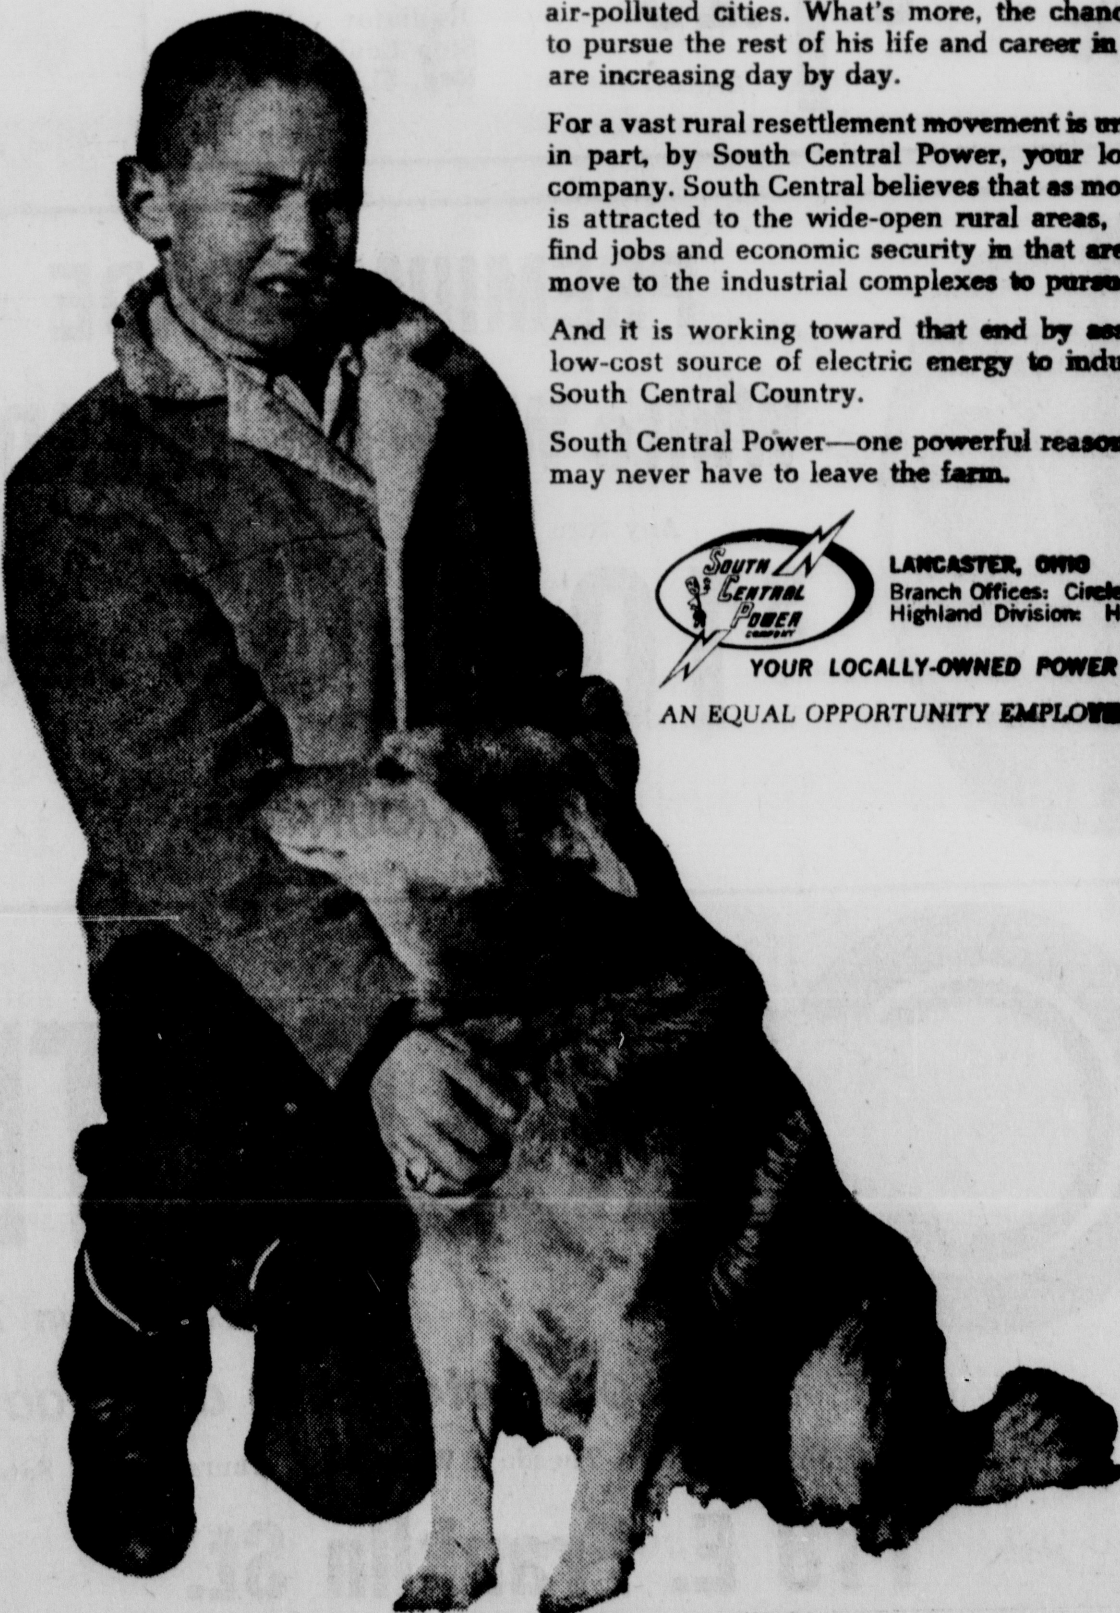

He's Brent Zink, 12-year-old son of South Central member-consumers Mr. and Mrs. Fred Zink, of Rte. #2, Hillsboro.

Brent is like any other happy American youngster growing up in the freedom of a rural environment, far from the crowded, air-polluted cities. What's more, the chances that he'll be able to pursue the rest of his life and career in that same rural area are increasing day by day.

For a vast rural resettlement movement is under way—promoted, in part, by South Central Power, your locally-owned electric company. South Central believes that as more and more industry is attracted to the wide-open rural areas, the more people can find jobs and economic security in that area, without having to move to the industrial complexes to pursue a career.

And it is working toward that end by assuring a dependable, low-cost source of electric energy to industry with an eye on South Central Country.

South Central Power—one powerful reason youngsters of today may never have to leave the farm.

# Solo Voyager William Willis Feared Lost

**Soviet Vessel Finds Sailboat; Seafarer Missing**

MOSCOW (AP) — William Willis, the 75-year-old American who floated across the Pacific Ocean alone on a raft four years ago, is believed lost on his third attempt to cross the Atlantic.

A Soviet fishery ship came upon a de-masted, deserted sailboat on which Willis' passport, medical card, other documents and a diary were found, Tass, the Soviet news agency, reported Sunday.

The boat was found in the Atlantic about 400 miles west of Ireland by a fisheries ship from the Latvian town of Lelpaja. Tass said it was hoisted aboard the Soviet ship after a futile search for Willis. But the report did not indicate where the boat and the papers would be taken.

Tass said the passport was numbered 22757 and had been issued in New York City on March 18, 1968. It gave Willis birth place, Germany, and his date of birth, Aug. 19, 1893.

The diary indicated Willis had set out on a round-the-world voyage alone May 3, 1968. Tass said the last entry in the diary was July 18.

In New York, Willis' wife said, "I still have hopes until the Coast Guard lets me know officially."

The Coast Guard in New York said it had not been informed by the Russians. It added it was difficult to check the passport number given by Tass since it contained five instead of the usual six digits and did not have a letter preceding it.

# Peru Dispute Brings Party Turmoil

LIMA, Peru (AP) — A dispute between President Fernando Belaunde Terry and his ruling Accion Popular party over a controversial oil contract resulted in a sharp and perhaps decisive rebuff to Belaunde Sunday.

The president on Saturday called for a reorganization of the party and replacement of Edgardo Seoane Corrales as the party's presidential candidate next year.

Seoane, first vice president under Belaunde, angered the president by asking in a television appearance for nullification of a new contract between the government and the International Petroleum Corp.

A party meeting ruled Sunday that Belaunde's move was "antistatutory," a ruling that was certain to heat up the controversy over the contract.

Some observers felt the situation was so serious that a coup or other drastic government shakeup might be imminent.

The contract, signed Aug. 13, provides for the government to take over oil fields in northern Peru formerly operated by the IPC. The controversy was touched off when the former head of the state petroleum agency claimed that page one of the contract, stipulating payment in dollar equivalent, was missing.

# Local Dems Greet HHH

A delegation representing Pickaway County Democrats was in Columbus Saturday to greet vice president Hubert H. Humphrey on his Presidential campaign stop to Ohio's capital city.

William Stout, chairman of the Pickaway County executive committee; Hewitt Cromley, chairman of the central committee; Martha Purcell; vice chairman of the executive committee; Margaret Crites, chairman of the women's Democrat Club, and Judge Guy Cline attended the \$100 a plate fund raising dinner held in Columbus.

In addition there was a busload of young Democrats from the Circleville area in Columbus to greet the presidential candidate.

The Adelphi Community Band, which has several members living in Pickaway County, played at the airport when Humphrey's plane arrived.

**Jim Backus Fills Paul Ford Job**

LOS ANGELES (AP) — Comedian Jim Backus will open Tuesday in the play "Captain Brassbound's Conversion" in place of actor Paul Ford, who collapsed during a preview performance.

Ford, 66, was ordered Saturday by his doctor to leave the play for at least two weeks.

# No Soviet Pullback Seen Despite Czech Statement

PRAGUE (AP) — No definite signs could be seen today of the partial Soviet troop withdrawal announced by Premier Oldrich Cernik during the weekend.

Cernik said in a speech Saturday that "a phased withdrawal of foreign troops from Czechoslovakia will begin in the next few days" although "certain contingents of foreign troops will remain."

His statement was not echoed in Moscow nor was it included in a report on his speech by the Czechoslovak Communist party paper Rude Pravo. Other Prague newspapers and the official radio reported it.

Troop movements were reported in southern Bohemia, but some military observers said they believed the Soviets were reinforcing the border with Aus-

tria. The Russians concentrated a large contingent of their forces on the border with West Germany shortly after they moved into Czechoslovakia on the night of Aug. 20-21.

Numerous Soviet troop transport planes took off from Prague's military airport Sunday, and airport sources said they carried troops. But it could not be established whether the troops were being rotated or being flown home to stay. The Soviets have been flying in supplies for their forces since the start of the invasion.

Few troops were seen on the roads Sunday, and the Czechoslovaks, trying to carry on with life as they best could, jammed the roads for outings in the country.

# Home-Health Graduation Monday Night

Eleven Home-Health Aides sponsored by PICCA (Pickaway County Community Action) will receive diplomas Monday night at the group's Board of Trustees meeting at the Episcopal Parish House.

They are Bobbie Nell Jones, Linda Martin, Helen Adams, Janice Greeno, Wilma Cardenas, Linda Sue Colburn, Bernice Martin, Mae Belle Godby, Nellie Conkel, Sharon Adams, and Edith Dumm. All are residents of Pickaway County.

The women have been studying home management and nursing assistance for the past two months.

Mrs. Jane Estenson, director, has had overall charge of the teaching, assisted by Mrs. Anita Hayne and Mrs. Jane Feldman, nurses for the program, and Mrs. Marjorie Kaiser Wolford, Home Economist with the Agricultural Extension Service.

INCLUDED in the training were field trips to Grant Hospital, Columbus, a Columbus Child Day Care Center, Chillicothe Veterans Hospital and Orient State Institute.

Training also included instruction in general dietetic services, child care and development, and maternal and child health. They attended lectures on family planning and the early detection of cancer.

The New Aides will continue working with PICCA's Comprehensive Health Program.

# Local Man Fined For Shoplifting

Edgar E. Nungester, 19, 184 Fairview Ave., was fined \$25 and costs for shoplifting by Municipal Court Judge Sterling Lamb Friday.

Nungester entered a plea of guilty to the charge filed by Nancy Wardlow, a Kroger employee. He was accused of taking a can of boot polish and four batteries. The fine was suspended by Judge Lamb.

Also in Court Friday was Ronnie Hamilton, 24, 113 N. Scioto St., accused by Circleville Policeman William Pontious of discharging firecrackers. Hamilton was fined \$25 and costs.

Delos Humphries, 450 Faye Ave., was fined \$10 and costs with the fine suspended on a charge of failing to keep his dog confined. He pleaded guilty to the charge filed by Ralph Wallace, Pickaway County Dog Warden.

# Defense Bill Faces More Senate Cuts

WASHINGTON (AP) — The \$71.9 billion defense-spending bill, already trimmed \$5 billion below President Johnson's requests, is facing attempts for even more cuts in the Senate.

New cuts were proposed in a series of amendments, before the Senate for action today, offered by Sen. Joseph Clark, D-Pa., who argues that domestic programs have suffered because the Defense Department gets too big a share of the budget.

About a third of the appropriation is earmarked for Vietnam. Efforts to cut the defense appropriation below committee recommendations have failed in the past. Key members of the military appropriations subcommittee argue further reductions could jeopardize national security.

Johnson asked for \$77.1 billion, the House approved \$72.2 billion and the Senate Appropriations Committee cut nearly \$353 million more.

Differences between the Senate and House versions will be resolved in conference.

# Claim Wallace Attracting Bigots

COLUMBUS, Ohio (AP) — Former ambassador to Poland and U.S. postmaster John A. Gronowski said this weekend that third party presidential candidate George C. Wallace is running a campaign to attract bigots.

Gronowski, here for the Ohio Democratic State Convention, said he feels Wallace's campaign will not be bought by the voters in November. He believes Wallace's vote will fall short of the 19 per cent now predicted by pollsters.

# Family Planning Clinic Now In Its Second Year

EDITOR'S NOTE: Following is one in a series of articles on the participating agencies of the 1968 Community Fund Drive. Goal this year has been set at \$55,000. Each of the articles will be written by a volunteer of the agency.

**By DENNIS BLECHA**  
Every child a wanted child! Parents and children alike

derive priceless meaning from these words. A planned for and wanted family is much more likely to be a secure and happy family.

"Every child a wanted child" is the goal of the Pickaway County Family Planning Association. The group, formed early in 1967 to promote planned parenthood, has been holding regular biweekly clinic sessions since May 1967. To date, more

than 75 patients have been examined and are receiving family planning and birth control information, education and material. Persons attending the clinic have come from Ashville, Williamsport, Darby, Circleville, Stoutsville, New Holland, and the surrounding area.

The 1967-68 Family Planning goal of providing examinations and services to 75 patients has been reached. A great need is obviously being filled as the patient load increases at every clinic session. Your 1967-68 Community Fund dollar helped finance the necessary medical supplies, information and training literature, and minimum general clinic facilities. Your 1968-69 Community Fund dollar will help provide expanded clinic facilities to handle the greater public response as well as continue to provide necessary medical supplies and family planning-birth control information and education.

Clinic sessions held the second and fourth Monday of each month from 7-9 p.m. at Berger Hospital help patients space their children and control the size of their families as they desire. Services offered include a Pap Smear done by the physician in attendance before any medication is given. Medical checkups are done at intervals set up by the examining physician. Trained workers instruct the women in birth control methods. Physicians, nurses, and workers all volunteer their time and skill.

Transportation to the clinic sessions is available to those women who need it. Interested persons should call 474-2479 or 474-4801 for more information.

Who is eligible for Family Planning services? All married persons and persons contemplating marriage (minors with parental consent) who are unable to obtain birth control services from a private physician, hospital, or clinic are eligible. Clinic services are given to persons voluntarily seeking them consistent with their own personal and religious beliefs. No patient is denied service because of inability to pay.

How about helping every child born to be a wanted child — through your gift to the Community Fund.

NEW YORK (AP) — Four television series made their debuts over the weekend. None, unhappily, seems destined to set the TV world on fire.

They were NBC's "The Name of the Game" on Friday, "Adam 12" and "The Ghost and Mrs. Muir" on Saturday and ABC's "Land of the Giants" on Sunday night.

"The Name of the Game" is an outside action series built around a magazine publishing empire—that's the excuse to have reporters and editors making like private eyes.

The first show starred Tony Franciosa, who played a star reported stumbling into a homicide which led him to an international spy case. The action was loaded with pseudo-sophisticated dialogue that didn't come off as smartly as it was supposed to. The thin story was stretched almost to the snapping point to fill the 90 minutes.

"Adam 12" carried the unmistakable brand marks of "Dragnet" in its first show—logically since Jack Webb of "Dragnet" is producing the new police series. This time, the viewer finds what it's like to ride a patrol car in Los Angeles.

In one hectic night on the job, the two officers—Martin Milner as the veteran cop and Kent McCord as the rookie—chased a pair of holdup men until they caught them in a flaming car crash, revived a suffocating baby and rounded up a gang of young thugs who were shooting up a neighborhood.

"The Ghost and Mrs. Muir" is comedy that depends on the viewer's acceptance of labored fantasy if the humor is to work at all.

This series has Hope Lange, playing a widow with two children, moving into a seaside house built generations before by a sea captain. The sea captain, played by Edward Mulhare, is a lively 100-year-old ghost, full of pranks like tossing buckets of water at people, and

constantly appearing and disappearing. It all seemed pretty strained.

"Land of Giants" takes place in 1983 when passengers and crew of a plane are pulled onto a distant planet where everything is 12 times the size of earth's flora and fauna, including its people.

The earth people had one horrendous experience after another: their plane was rocked by a curious giant housecat; two were captured by a scientist who strapped them to his desk with mending tape for further study, and finally the whole party took refuge in a giant drain pipe.

CBS's contribution to the weekend's entertainment was an hour-long piano recital by Vladimir Horowitz. The program, uninterrupted by commercials, showed the pianist playing to a crowded Carnegie Hall.

His choice of music included Chopin, Schumann Bizet and Scarlatti, and the cameras focused most of the time on his face and his fingers. There was no commentary—everything was concentrated on the musician's magic.

Recommended tonight: "Here's Lucy," CBS, 8:30-9 EDT. Lucille Ball returns with a new title and new format for her show; "The Outcasts," ABC, premiere, 9-10, Don Murray and Otis Young as a former Confederate officer and an ex-slave in the Old West; "Mayberry R. F. D.," CBS, 9-9:30, with Andy Griffith bowing out of his series and Ken Berry bowing in.

## Franklin County Slaying Probed

COLUMBUS, Ohio (AP) — Franklin County deputies said Sunday they were continuing a search for the slayer of Emil Zbinden, 47, Columbus, whose body was found Saturday in a secluded area along the Scioto River south of here.

Deputies said Zbinden was known to carry large sums of money, but none was found on his body and his billfold was missing. Lack of blood at the scene led deputies to believe he had been shot elsewhere. They had been shot four times, they said.

His car was found in Lancaster Sunday, police reported.

## Lap-Sitting Contest Suddenly Ends

EL PASO, Tex. (AP) — Fourteen coeds were sitting on Mim Wyley's lap when the chair collapsed.

That was the end of the lap-sitting contest Friday.

Wyley, 6-foot-5 255-pound senior at the University of Texas at El Paso, was treated at a hospital for cuts from the splintered back of the wooden chair.

When college officials called the contest off the leader was Allen Mueller, 6-foot-7 and 208 pounds, clocked for 45 seconds with 13 coeds aboard.

HONOLULU (AP) — It is just a matter of time before the South Vietnamese army "can take over and do the job," Adm. John S. McCain Jr., Pacific military commander, said Friday after a week's tour of Vietnam.

He said, however, that he hesitated to predict when the United States can begin to withdraw its troops because "in war you can never make accurate predictions in time."

## Ohio Power Union OKs New Contract

CANTON, Ohio (AP) — Operations were expected to return to normal today at Ohio Power facilities which were hit by a series of strikes that lasted nearly three months.

The company said a new three-year contract providing wage increases totaling more than 17 per cent was ratified over the weekend by the Utility Workers of America and a similar agreement was accepted by the International Brotherhood of Electrical Workers.

Fringe benefits include provisions increasing vacations to five weeks after 25 years of service, adding one more paid holiday for a total of nine and full company payment of hospitalization and medical care insurance.

The company valued the total package at about \$1 per hour per man.

The Utility Workers Union represents 443 workers at four power plants — Philo, Kidd, Kammer and Windsor — and at the firm's Canton and Coshocton divisions.

The IBEW represents 420 workers at the Steubenville, Zanesville and Newark divisions.

A similar pact is to be presented Tuesday to a third union,

the Electric Service union, the company said. Electric Service, representing 303 workers in Tiffin, Findlay and Lima, struck July 1 but returned to work July 31.

## Archer And Nichols Bring Home PGA Tourney Bacon

OKLAHOMA CITY, Okla. (AP) — "It beats packing bags," said a beaming George Archer, who along with Bobby Nichols had just fired a blistering seven-under-par 65 Sunday to win the PGA team championship by two strokes.

Archer and Nichols divided the top prize of \$40,000 in the best-ball tourney, which had a total purse of \$200,000.

Nichols announced Sunday he would participate in no more tourneys this year.

"Stick a fork in me," he said, "I'm done. This is a good way to end the year."

The two veteran partners

toured the tough 7-173-yard par-72 Quail Creek Country Club course in a 22-under-par 265 to win the tourney.

They bogeyed only one hole, the 12th hole at Twin Hills Country Club across town, where players put in one round.

They both three-putted that hole.

Rives McBee and Monty Kaser shot a three-under-par 69 Sunday to win second place and \$24,000 in the tournament, two strokes behind Nichols and Archer.

Tom Weiskopf and R. H. Sikes also had a 69 Sunday for a tournament total of 268, good enough for third place and a cash prize of \$15,000.

Nichols was red hot Sunday, as he birdied the first three holes and saved a par on the 18th to pull the team from a third-place tie after 54 holes to the championship.

McBee and Kaser held the lead after 54 holes with Dale Douglass and Hale Irwin at 198, 17-under-par.

McBee and Kaser ended the tournament at 20-under-par 267, while Douglass and Irwin remained at even par Sunday for 17 under and a sixth-place tournament finish.

The teams of Sam Snead and Gardner Dickinson and Tommy Aaron and Charles Coody finished with an 18-under-par 269 for fourth place.

Arnold Palmer and Jack Nicklaus, the defending champions, finished with a 68 for a 273 and a five-way tie for 15th place. Dave and Mike Hill, the pacesetters for the first 54 holes, wound up in a three-way tie for 12th place with 272.

### Bill Russell Gets Rich Contract

BOSTON (AP) — Bill Russell, a 12-year National Basketball Association veteran, is ready to sign one of the richest contracts in NBA history to continue as player-coach of the Boston Celtics for another couple of years.

A source told The Associated Press Sunday night that Russell has agreed to terms in a two-year contract calling for slightly more than \$200,000 a season.

## Dick Petty Old Dominion 500 Winner

MARTINSVILLE, Va. (AP) — Plymouth driver Richard Petty set a record in winning the \$27,000 Old Dominion 500 stock car race Sunday—and simultaneously saw another of his records broken by the No. 2 finisher.

Taking the lead for keeps on the 262nd lap of the 500-lap race at the half-mile Martinsville Speedway track, Petty won by more than three laps and pocketed a total of \$5,999.

It was the sixth time the Randleman, N.C., driver had won a major NASCAR event at Martinsville—a record for the track.

But Cale Yarborough, driving a Ford Torino, added \$2,700 to his bank account in finishing second and, by so doing eclipsed Petty's 1967 record of \$130,275 in money-winnings. Yarborough now has won \$130,706.

Another Ford Torino driver, Lee Roy Yarborough of Columbia, S.C., was third and won \$1,244. Ford driver Bud Moore of Charlotte was fourth and Dodge driver Bobby Isaac of Catawba, N.C., fifth.

### Bill Allen Wins PBA Tournament

NEWARK, Ohio (AP) — Bill Allen, Orlando, Fla., defeated Dave Davis, Phoenix, Ariz., 254-199 in the final game to capture the \$3,000 first prize in the Professional Bowlers Association Tournament here Sunday night.

It was the 33-year-old left-hander's fourth tournament victory this year and 13th in the last four years.

## Bengal Defenders Credited With 34-23 Win Over Bills

By HAL PARIS  
Associated Press Sports Writer  
CINCINNATI (AP) — Foxy Paul Brown has no visions of his Cincinnati Bengals making it to the Super Bowl game.

"We're not kidding ourselves. We're tickled to win two," Brown said Sunday after the American Football League expansion club whipped Buffalo 34-23.

It pushed Cincinnati's record up to 2-1 and sent the Bills reeling to their third straight defeat, spoiling new Coach Harvey Johnson's debut.

"Our defense won it for us," Brown said gleefully. "Those interceptions did it. The players gave the game ball to defensive coach Tom Bass and he richly deserved it."

The Bengals trailed 14-13 late in the third quarter but the defensive secondary turned the tide. Cornerback Charlie King stole reserve quarterback Kay Stephenson's errant pass on the Buffalo 32 and rammed to paydirt with 1:04 remaining.

In the opening seconds of the fourth quarter, linebacker Al Beauchamp picked off a deflected aerial by Dan Darragh and raced in from the Buffalo 17-yard line.

The Bengals suddenly led 27-14 but the partisan crowd of 24,045 hardly finished cheering when Bills' halfback Max Anderson zoomed 100 yards with the kickoff to make it 27-21.

Cincinnati got stalled near its goal line in the last two minutes and gave Buffalo two points when Paul Robinson got nailed in the end zone.

With the seconds ticking

away, Darragh, the rookie from William & Mary, connected with Haven Moses on a 41-yard pass to the Bengals' 12 but Bills' tackle Dick Cunningham was detected holding and the ball came back to Buffalo's 23.

Cincinnati eventually took over on the Bills' 11 and Tom Smiley banged across from the one in the final second for a frosting TD.

Johnson, who took over Joel Collier's job after the latter was fired, couldn't hide his disappointment over the holding penalty.

"The call killed us. I don't believe it. Cunningham's not a holder. I want to see the movies."

Aside from Anderson's 100-yard run, the most sensational play of the day came late in the first quarter when split end

Warren McVea scooted 80 yards on an end around with the help of a fine block from flanker Rod Sherman.

Except for McVea's jaunt, Cincinnati gained only 82 yards rushing, pointing up the lack of a running game. But Brown said he wasn't disappointed in his attack.

"Buffalo has a big, strong defensive line. They are hard to run against."

# If you ever find a better deal than gas heat grab it!

Quick.

Here's what you have to beat: Gas heat is dependable, safe from the elements. Gas heat is clean—filtered clean. Gas heat is fresh air, circulating heat. Gas heats your whole home evenly... including the basement. Gas heat is convenient—set one thermostat and forget it. Gas heats quickly. Even if you could beat—or even match—all these beauties of Gas heat, you still have one other advantage to beat. The economy of Gas heat! If you ever find a better deal than Gas heat, by all means grab it.

Lots of luck.

## Archer And Nichols Bring Home PGA Tourney Bacon

OKLAHOMA CITY, Okla. (AP) — "It beats packing bags," said a beaming George Archer, who along with Bobby Nichols had just fired a blistering seven-under-par 65 Sunday to win the PGA team championship by two strokes.

Archer and Nichols divided the top prize of \$40,000 in the best-ball tourney, which had a total purse of \$200,000.

Nichols announced Sunday he would participate in no more tourneys this year.

"Stick a fork in me," he said, "I'm done. This is a good way to end the year."

The two veteran partners

AGONY—Tears flow as a young South Vietnamese girl cries over her father, wounded in fighting between Communist and allied forces on the outskirts of Tay Ninh, province capital about 53 miles northwest of Saigon.

### Wins Golf Clash

KINGSBURG, Calif. (AP) — Kathy Whitworth of Dallas is closing in on Carol Mann financially.

Miss Whitworth shot a final round 69 Sunday and finished 10 strokes ahead of second place Sandra Haynie in the \$15,000 Kings River Open Golf Tournament. And she won \$2,071 more than Miss Mann.

### Bill Russell Gets Rich Contract

BOSTON (AP) — Bill Russell, a 12-year National Basketball Association veteran, is ready to sign one of the richest contracts in NBA history to continue as player-coach of the Boston Celtics for another couple of years.

A source told The Associated Press Sunday night that Russell has agreed to terms in a two-year contract calling for slightly more than \$200,000 a season.

## Dick Petty Old Dominion 500 Winner

MARTINSVILLE, Va. (AP) — Plymouth driver Richard Petty set a record in winning the \$27,000 Old Dominion 500 stock car race Sunday—and simultaneously saw another of his records broken by the No. 2 finisher.

Taking the lead for keeps on the 262nd lap of the 500-lap race at the half-mile Martinsville Speedway track, Petty won by more than three laps and pocketed a total of \$5,999.

It was the sixth time the Randleman, N.C., driver had won a major NASCAR event at Martinsville—a record for the track. But Cale Yarborough, driving a Ford Torino, added \$2,700 to his bank account in finishing second and, by so doing eclipsed Petty's 1967 record of \$130,275 in money-winnings. Yarborough now has won \$130,706.

Another Ford Torino driver, Lee Roy Yarborough of Columbia, S.C., was third and won \$1,244. Ford driver Bud Moore of Charlotte was fourth and Dodge driver Bobby Isaac of Catawba, N.C., fifth.

### Bill Allen Wins PBA Tournament

NEWARK, Ohio (AP) — Bill Allen, Orlando, Fla., defeated Dave Davis, Phoenix, Ariz., 254-199 in the final game to capture the \$3,000 first prize in the Professional Bowlers Association Tournament here Sunday night.

It was the 33-year-old left-hander's fourth tournament victory this year and 13th in the last four years.

## Bengal Defenders Credited With 34-23 Win Over Bills

By HAL PARIS  
Associated Press Sports Writer

CINCINNATI (AP) — Foxy Paul Brown has no visions of his Cincinnati Bengals making it to the Super Bowl game.

"We're not kidding ourselves. We're tickled to win two," Brown said Sunday after the American Football League expansion club whipped Buffalo 34-23.

It pushed Cincinnati's record up to 2-1 and sent the Bills reeling to their third straight defeat, spoiling new Coach Harvey Johnson's debut.

"Our defense won it for us," Brown said gleefully. "Those interceptions did it. The players gave the game ball to defensive coach Tom Bass and he richly deserved it."

The Bengals trailed 14-13 late in the third quarter but the defensive secondary turned the tide. Cornerback Charlie King stole reserve quarterback Kay Stephenson's errant pass on the Buffalo 32 and rambled to paydirt with 1:04 remaining.

In the opening seconds of the fourth quarter, linebacker Al Beauchamp picked off a deflected aerial by Dan Darragh and raced in from the Buffalo 17-yard line.

The Bengals suddenly led 27-14 but the partisan crowd of 24,045 hardly finished cheering when Bills' halfback Max Anderson zoomed 100 yards with the kickoff to make it 27-21.

Cincinnati got stalled near its goal line in the last two minutes and gave Buffalo two points when Paul Robinson got nailed in the end zone.

With the seconds ticking

away, Darragh, the rookie from William & Mary, connected with Haven Moses on a 41-yard pass to the Bengals' 12 but Bills' tackle Dick Cunningham was detected holding and the ball came back to Buffalo's 23.

Cincinnati eventually took over on the Bills' 11 and Tom Smiley banged across from the one in the final second for a frosting TD.

Johnson, who took over Joel Collier's job after the latter was fired, couldn't hide his disappointment over the holding penalty.

"The call killed us. I don't believe it, Cunningham's not a holder. I want to see the movies."

Aside from Anderson's 100-yard run, the most sensational play of the day came late in the first quarter when split end

Warren McVea scooted 80 yards on an end around with the help of a fine block from flanker Rod Sherman.

Except for McVea's jaunt, Cincinnati gained only 82 yards rushing, pointing up the lack of a running game. But Brown said he wasn't disappointed in his attack.

"Buffalo has a big, strong defensive line. They are hard to run against."

RESUMES DUTIES — Ending a period of mourning for Robert Kennedy, his late brother, Sen. Edward Kennedy has resumed his duties in the Senate. He is talking with Sen. Thomas J. Dodd (right), D-Conn., during lunch break of the Senate Judiciary Committee in Washington.

# If you ever find a better deal than gas heat grab it!

Quick.

Here's what you have to beat: Gas heat is dependable, safe from the elements. Gas heat is clean—filtered clean. Gas heat is fresh air, circulating heat. Gas heats your whole home evenly . . . including the basement. Gas heat is convenient—set one thermostat and forget it. Gas heats quickly.

Even if you could beat—or even match—all these beauties of Gas heat, you still have one other advantage to beat. The economy of Gas heat! If you ever find a better deal than Gas heat, by all means grab it.

Lots of luck.

# Ohio College Grid Teams Start Fast With Many Wins

By TOM GARDNER  
Associated Press Writer

Ohio's Mid-American Conference football team took off on a high-scoring fling Saturday, tallying 188 points in three victories and two losses.

Meanwhile Cincinnati's Greg Cook hit on 22 of 40 passes, including a 53-yard touchdown bomb in the closing minutes that led the Bearcats to a 10-10 tie with heavily favored Texas Tech. Cincinnati chose to kick the conversion for a tie instead of trying for two points and a victory over the Southwest Conference team.

In the day's only conference game in the Mid-Am, Ohio University drubbed undermanned Marshall 48-8. Tailback Bob Hounard scored three touchdowns for the Bobcats and reserve quarterback Steve Skiver ran for a pair.

Bowling Green scored nine touchdowns while romping over Ball State 62-8, capitalizing on three Ball State fumbles and three interceptions. Toledo extended the nation's longest major college winning streak to 11 games in downing Villanova 45-21, with tailback Roland Moss scoring four touchdowns.

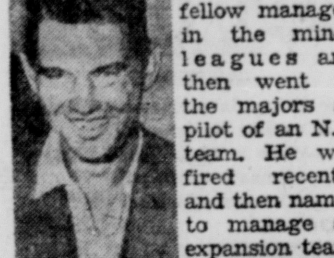

Two MAC squads racked up a total of 33 points in losing efforts. Kent State fell to Buffalo 21-13. The final gun sounded with Kent in possession of the ball on Buffalo's one-yard line.

## CHS Reserve Squad Beats Chillicothe

The Circleville reserve football team came from behind Saturday morning to defeat visiting Chillicothe, 10-6.

The Cavaliers scored in the second quarter on a 10 yard pass.

The Tigers first got on the scoreboard in the third period when Brent Liston tackled the Chillicothe quarterback in the end zone, for a two point safety.

The Tigers got their next scoring chance, with a minute to play in the final quarter.

**CHILICOTHE** was forced to punt at about the 30 yard line. A bad pass from center went over the punter's head.

He was tackled at the 25 when he attempted to run with the ball after recovering it.

On the first play, quarterback Tom Bowers hit Dick Radcliff with a pass that was good for 20 yards and a first down at the five.

The Tigers called time out with 20 seconds to go in the game. Harold Smith scored the winning TD when play resumed again, and also added the two point conversion.

The Tiger reserves have a 2-1 record for the season.

"I was real pleased with the way they hung in there and came back to win," said Coach Dick Fisher, who handled the reserve game Saturday.

## Vikings Slam Champion Packers, 26-13

By MIKE RECHT  
Associated Press Sports Writer

Give the Minnesota Vikings two inches and they'll take 74 yards—and the Green Bay Packers.

The Packers got a taste of such ingratitude Sunday when the improving Vikings used those inches to spring the biggest upset of the young National Football League season by upending the world champions 26-13.

The Vikings decided they'd like those two inches in the third quarter after Green Bay had scored and cut Minnesota's lead to 16-6. The Packers, their momentum growing, had Minnesota stopped, fourth down and two inches needed for a first down on the Vikings' 26 yard line.

But Coach Bud Grant decided to try for it and quarterback Joe Kapp crept two inches for a first down, and then drove Minnesota 74 yards for the back-breaking touchdown.

In more minor surprises, the Detroit Lions, bouncing back

after being shellacked 59-13 by Dallas last week, turned on the favored Chicago Bears 42-0, and the New Orleans Saints piled past the Washington Redskins 37-17.

Baltimore subdued Atlanta 28-20, Los Angeles leveled Pittsburgh 45-10, and Dallas squashed Cleveland 28-7 as the other NFL powerhouses rolled on. In other games, San Francisco beat St. Louis 35-17 and the New York Giants outlasted Philadelphia 34-25.

Minnesota, which has beaten the Packers four of their last nine meetings, built a 16-0 lead by halftime on a safety and Bill Brown's two scoring runs, but the issue still was in doubt when Kapp inched his way to the vital first down.

"That fourth down play took a lot of steam out of us," he said.

**Pigeon Club Holds Race**  
The Circleville Pigeon Club held its second 150 mile young bird race from Lexington, Ky., Sunday.

A total of 156 birds and 13 lofts competed in the race. Stan Crosby placed first with a speed of 1155.1953 yards per minute while Ronnie Snyder took second with a speed of 1154.0412 yards per minute.

Larry Collins won third, Crosby was fourth, Iles Loft fifth, Homer Kuntz sixth, Iles Loft seventh and eighth, Stan Crosby ninth and Paul Haddox tenth.

Crosby won nomination bird, loft derby and trophy.

**Wente, Kenyon Take Auto Races**

**NEW BREMEN, Ohio (AP)**—Bob Wente of St. Louis and Mel Kenyon of Lebanon, Ind., won the U.S. Auto Club twin 30-lap feature races Sunday at New Bremen Speedway.

Wente covered the 15 miles in 9:56.01 and Kenyon, defending USAC midget champ, recorded a winning time of 9:43.62 in the second race.

**25,000-Meter Winner**

**CLEVELAND, Ohio (AP)**—Kerry Pearce of Australia, a sophomore at the University of Texas, set an American record of 1 hour, 19:08.2 Sunday in the 25,000-meter race in Rocky River Reservation.

Arthur Collidge of Kent State University was second in 1 hour, 22:55.

Bill Munson, making his debut as Detroit's quarterback, didn't bother with inches as he threw touchdown passes of 86 yards to Mel Farr and 37 and 15 to rookie Earl McCulloch. The Lions stifled the Bears' offense with eight interceptions, one short of the record. Mike Weger and Lem Barney each stole three.

Don McCall became the first New Orleans back to gain more than 100 yards in a game—he ran for 127 and scored two times. Dave Whitell blocked a punt and carried it four yards for a score, blocked a field goal try and intercepted a pass leading to a touchdown as the Saints stopped Sonny Jurgenson until the fourth period.

Earl Morrall, again filling in for injured Johnny Unitas, threw three interceptions and had one of three Baltimore fumbles, but he overcame the errors with three scoring passes and set up another touchdown with an 84-yard throw.

The winning touchdown—for a 21-20 lead—came with 39 seconds left in the half when Morrall threw a parallel pass to halfback Tom Matte, who tossed back to Morrall, who threw 46 yards to Jimmy Orr.

Roman Gabriel hit 16 of 20 passes for 261 yards and four touchdowns and Dick Bass scored three times as the Rams routed Pittsburgh.

Defensive end Willie Townes recovered quarterback Frank Ryan's fumble and rumbled 20 yards for a touchdown and a 14-0 lead for Dallas in the second quarter, and Dan Reeves added two short scoring runs in the final half.

**Top Knight Tops Belmont Futurity**

Top Knight, who veteran thoroughbred trainer Ray Metcalf calls the best he's ever handled, may very well turn out to be the best 2-year-old anybody's handled this year.

The Steven B. Wilson-owned juvenile backed up his impressive victory in the Hopeful at Saratoga by romping home first in the \$142,820 Futurity last Saturday at Belmont Park.

John Brodie, who spent two days in the hospital with a crick in his neck last week, fired three scoring passes for San Francisco and set up a fourth with his passing.

Pete Gogolak's second field goal put the Giants ahead 20-19 in the third quarter and Fran Tarkenton passed for a 27-19 lead after Al Haymond returned a kickoff 98 yards for the eagles and Carl Lockhart brought back an interception 72 yards for New York. Three blocked extra point tries set back the Eagles.

**Dennis Hulme Wins Canada Grand Prix**

MONT TREMBLANT, Que. (AP) — The Grand Prix of Canada proved to be a pretty shifty piece of driving by Denis Hulme of New Zealand.

Hulme, who said he had to shift gears 20 times each lap while winning the 230.8-mile race Sunday, also caused a shift in the standings of the world road-circuit driving championship by moving into a first-place tie with Graham Hill of England.

## Twins, Nip Oakland, 2-1, As Tovar Tours Positions

By HAL BOCK

Cesar Tovar took the grand tour of Minnesota's Metropolitan Stadium... position-by-position.

And for a tantalizing few innings, it looked like the Twins' chief handyman might own a tiny piece of a no-hitter as well as the distinction of being only the second man in major league history to play all nine positions in a single game.

But Oakland eventually managed three hits against young Tom Hall, who relieved in the second inning Sunday after Tovar started his tour by pitching a hitless first inning.

Tovar moved behind the plate in the second and around the infield and outfield inning by inning as the Twins nipped the A's 2-1.

In other American League action Sunday, Baltimore shut out Chicago 3-0. Washington blanked Detroit 6-0, Boston tripped New York 5-1 and Cleveland squeezed by California 2-1.

Tovar scored Minnesota's first run in the third when he singled and scored on Bob Allison's triple. Rod Carew drove in the Twins' other run with a fifth inning single.

Oakland's Bert Campaneris, the only other man to play all nine positions in one game, was the Athletics' leadoff batter in the first against Tovar and fouled out. Reggie Jackson

struck out and then Danny Carter walked. Tovar balked the runner to second before retiring Sal Xando on a foul pop.

The A's didn't get a hit against Hall until the sixth and had only one until the eighth when they rallied for a run, knocking the youngster out. But Al Worthington shut the door.

Dave McNally scattered eight hits and became the winningest pitcher in modern Baltimore history by shutting out Chicago 3-0. McNally, 21-10 for the season, is 13-2 since the All Star break.

Chicago's Wilbur Wood tied a major league record with his 84th appearance of the year. Ted Abernathy, then with the Chicago Cubs, established the mark in 1965.

Rich Billings and Brant Alyea tagged home runs and Camilo Pascual's four-hitter eased

Washington past Detroit and ended a 11-game winning streak for the Tigers.

Billings' homer was his first in the majors and Alyea's three-run shot was his sixth.

Lou Johnson singled pinch runner Tommy Harper home with Cleveland's winning run in the eighth inning against California.

Tony Horton, whose sixth-inning homer was Cleveland's first hit, singled in the eighth and Harper, running for him, stole second. Then Johnson singled the run home.

Jerry Moses cracked a two-run homer and Joe Foy drove in two runs with a third-inning single, helping the Red Sox past the Yankees.

Dick Ellsworth's four-hitter gave Boston its fifth straight victory and tagged the Yankees with their sixth loss in a row.

## Ohio College Grid Teams Start Fast With Many Wins

By TOM GARDNER  
Associated Press Writer

Ohio's Mid-American Conference football team took off on a high-scoring fling Saturday, tallying 188 points in three victories and two losses.

Meanwhile Cincinnati's Greg Cook hit on 22 of 40 passes, including a 53-yard touchdown bomb in the closing minutes that led the Bearcats to a 10-10 tie with heavily favored Texas Tech. Cincinnati chose to kick the conversion for a tie instead of trying for two points and a victory over the Southwest Conference team.

In the day's only conference game in the Mid-Am, Ohio University drubbed undermanned Marshall 48-8. Tailback Bob Houmard scored three touchdowns for the Bobcats and reserve quarterback Steve Skiver ran for a pair.

Bowling Green scored nine touchdowns while romping over Ball State 62-8, capitalizing on three Ball State fumbles and three interceptions. Toledo extended the nation's longest major college winning streak to 11 games in downing Villanova 45-21, with tailback Roland Moss scoring four touchdowns.

Two MAC squads racked up a total of 33 points in losing efforts. Kent State fell to Buffalo 21-13. The final gun sounded with Kent in possession of the ball on Buffalo's one-yard line.

Miami took a 20-6 lead into the final quarter of its match with the University of the Pacific, but allowed the Tigers to score twice in the final period for a 21-20 victory.

In another high-scoring game, Dayton trounced St. Joseph's of Indiana 57-0. Dayton scored in every quarter — four times in the first — in racking up the most points for one game in 27 years.

Akron rolled over Indiana State 41-13 with two touchdowns in both the first and second quarters, and Xavier handed the Quantico Marines a 28-12 defeat with Jerry Buckmaster throwing three TD passes.

In other Ohio college games Saturday Central Michigan edged Youngstown 24-20, Baldwin-Wallace shut out Findlay 14-0, Ohio Wesleyan beat Albion 14-7 and California, Pa., handed Denison a 36-0 defeat.

Defiance rolled over Adrian, Mich., 35-0. Heidelberg slipped past Bluffton 21-20. Emory & Henry rolled over Marietta 32-13. Susquehanna edged Otterbein 27-26. Mount Union crushed Franklin 20-0. Ashland beat Wooster 25-13. Edinboro squeaked past Ohio Northern 27-26. Muskingum and West Liberty, Pa., battled to a 13-13 tie and Kenyon downed Centre, Ky., 21-6.

## CHS Reserve Squad Beats Chillicothe

The Circleville reserve football team came from behind Saturday morning to defeat visiting Chillicothe, 10-6.

The Cavaliers scored in the second quarter on a 10 yard pass.

The Tigers first got on the scoreboard in the third period when Brent Liston tackled the Chillicothe quarterback in the end zone, for a two point safety.

The Tigers got their next scoring chance, with a minute to play in the final quarter.

CHILICOTHE was forced to punt at about the 30 yard line. A bad pass from center went over the punter's head.

He was tackled at the 25 when he attempted to run with the ball after recovering it.

On the first play, quarterback Tom Bowers hit Dick Radcliff with a pass that was good for 20 yards and a first down at the five.

The Tigers called time out with 20 seconds to go in the game. Harold Smith scored the winning TD when play resumed again, and also added the two point conversion.

The Tiger reserves have a 2-1 record for the season.

"I was real pleased with the way they hung in there and came back to win," said Coach Dick Fisher, who handled the reserve game Saturday.

## Vikings Slam Champion Packers, 26-13

Give the Minnesota Vikings two inches and they'll take 74 yards—and the Green Bay Packers.

The Packers got a taste of such ingratitude Sunday when the improving Vikings used those inches to spring the biggest upset of the young National Football League season by upending the world champions 26-13.

The Vikings decided they'd like those two inches in the third quarter after Green Bay had scored and cut Minnesota's lead to 16-6. The Packers, their momentum growing, had Minnesota stopped, fourth down and two inches needed for a first down on the Vikings' 26 yard line.

But Coach Bud Grant decided to try for it and quarterback Joe Kapp crept two inches for a first down, and then drove Minnesota 74 yards for the back-breaking touchdown.

In more minor surprises, the Detroit Lions, bouncing back after being shellacked 59-13 by Dallas last week, turned on the favored Chicago Bears 42-0, and the New Orleans Saints piled past the Washington Redskins 37-17.

Baltimore subdued Atlanta 28-20, Los Angeles leveled Pittsburgh 45-10, and Dallas squashed Cleveland 28-7 as the other NFL powerhouses rolled on. In other games, San Francisco beat St. Louis 35-17 and the New York Giants outlasted Philadelphia 34-25.

Minnesota, which has beaten the Packers four of their last nine meetings, built a 16-0 lead by halftime on a safety and Bill Brown's two scoring runs, but the issue still was in doubt when Kapp inched his way to the vital first down.

"It was just an occasion where we felt we had to take the momentum away from them," Grant said of Minnesota's gamble, and Coach Phil Bengtson of the Packers admitted it succeeded.

"That fourth down play took a lot of steam out of us," he said.

The winning touchdown—for a 21-20 lead—came with 39 seconds left in the half when Morrall threw a parallel pass to halfback Tom Matte, who tossed back to Morrall, who threw 46 yards to Jimmy Orr.

Roman Gabriel hit 16 of 20 passes for 261 yards and four touchdowns and Dick Bass scored three times as the Rams routed Pittsburgh.

Defensive end Willie Townes recovered quarterback Frank Ryan's fumble and rumbled 20 yards for a touchdown and a 14-0 lead for Dallas in the second quarter, and Dan Reeves added two short scoring runs in the final half.

## Pigeon Club Holds Race

The Circleville Pigeon Club held its second 150 mile young bird race from Lexington, Ky., Sunday.

A total of 156 birds and 13 lofts competed in the race. Stan Crosby placed first with a speed of 1155.1953 yards per minute while Ronnie Snyder took second with a speed of 1154.0412 yards per minute.

Larry Collins won third, Crosby was fourth, Iles Loft fifth, Homer Kuntz sixth, Iles Loft seventh and eighth, Stan Crosby ninth and Paul Haddox tenth.

Crosby won nomination bird, loft derby and trophy.

# Dodgers Beat Cardinals, 3-2

**B. DICK COUCH**  
Associated Press Sports Writer  
Detroit's World Series dossier on the St. Louis Cardinals might be a trifle thin today... through no fault of the Tiger scouts.

For the past week the National League champs have shown the Bird-dogs practically nothing.

Los Angeles' late-breaking Dodgers beat St. Louis ace Bob Gibson 3-2 Sunday, completing a three-game sweep of the Cardinals for a 15-4 mark over the

last three weeks.  
The Cards have won one of six starts since they locked up the flag at Houston one week ago. The victory was Ray Washburn's no-hit gem at San Francisco... the day after the Giants' Gaylord Perry nipped Gibson 1-0 with a no-hitter.

Sunday's loss killed the Cards' last hope for a 100-victory season. They're 94-63 with five games remaining.

Second place San Francisco belted Atlanta 10-2, Pittsburgh

trimmed the Chicago Cubs 5-1. Houston topped Cincinnati 6-1, and the New York Mets downed Philadelphia 5-2 in other NL games.

Right-hander Don Sutton blanked the Cardinals on one hit until the eighth inning, when he balked home the second of two St. Louis runs for a 2-2 dead-lock.

But the Dodgers broke the tie in the bottom of the eighth on a walk, a sacrifice and rookie right fielder Joe Hagure's throwing error. Bill Sudakis scored the winning run when Hagure caught Paul Popovich's short fly and then threw wildly past third base.

Willie Crawford homered off Gibson, 21-9, who has beaten the Dodgers only 11 times in 28 lifetime decisions.

Willie McCovey drove in three runs for the Giants with a double and his 35th homer, boosting his league RBI lead to 102. Willie Mays lashed three hits and Jim Hart drove in three runs, helping Bob Bolin, 10-5, breeze past the Braves with a five-hitter.

Bob Moose fired a four-hitter as the Pirates climbed into a three-way tie for fourth place with the Cubs and Braves. Gene Alley delivered two runs with a homer and single and Roberto Clemente hit an inside-the-park homer to pace the Pittsburgh attack.

Jim Wynn's 24th and 25th homers knocked in three runs, leading the Astros past the third place Reds behind southpaw Mike Cuellar, who scattered eight hits.

The victory left Houston one game behind the ninth place Mets, who subdued Philadelphia on the tight relief pitching of Don Cardwell. The veteran right-hander took over for rookie Jim McAndrew in the sixth and retired all 12 Phillies he faced.

## O. J. Simpson Paces SC Over Minnesota

**By MURRAY CHASS**  
Associated Press Sports Writer  
O.J. Simpson of Southern California was a first team All-American halfback last year. Chris Gilbert of Texas and Paul Gipson of Houston only made the second team.

On college football's first big Saturday, Simpson scored four touchdowns and rambled for 236 yards on 39 carries as second-ranked Southern California defeated Minnesota 29-20.

O.J., however, did not overshadow the play of Gilbert and Gipson in what some people called the championship game of the Southwest. Both had a lot to do with the 20-20 tie that resulted from the clash between the nation's No. 4 team, Texas, and the No. 11 team, Houston.

Gilbert ran for 195 yards on 21 carries; Gipson gained 173 yards on 28 tries. Simpson's average per carry was six yards, the same as Gipson's. Gilbert finished with a nine-yard average.

Included in Gilbert's gains were touchdowns runs of 57 and eight yards. Gipson scored all three of Houston's touchdowns on runs of one, 66 and five yards.

There was one time, however, when Texas stopped Gipson, and that meant the difference between a tie and a Houston victory. The Cougars had the ball at the Texas two with a fourth down, and the Longhorns stopped Gipson at the line.

Another 1967 All-American back, Leroy Keyes of top-ranked Purdue, played only sparingly in the Boilermakers' 44-7 rout of Virginia. Keyes was hampered by a bruised right hip but still scored one touchdown on a three-yard burst and threw 12 yards to Bob Dillingham for another.

The Boilermakers hope Keyes will be fully recovered for next Saturday's encounter with Notre Dame at South Bend, Ind., because the third-ranked Irish opened their season last Saturday by crushing Oklahoma, No. 5, 45-21. Like Simpson, Gilbert and Gipson did individually, the Irish compiled some impressive statistics.

They amassed a school record 35 first downs, ran for 357 yards and passed for 214 more, giving them a total offense of 571 yards. End Jim Seymour also set a record, catching two touchdowns passes for a career total of 14, one more than Leon Hart had in his days with the Irish.

Oklahoma and Minnesota were not the only members of the Top 20 to lose. Iowa edged eight-ranked Oregon State 21-20; and Louisiana State, No. 20, nipped Texas A&M, No. 13, 13-12.

Florida, No. 6, got past Air Force 22-20; seventh-ranked Alabama downed Virginia Tech 14-7; 10th-ranked Penn State whipped Navy 31-6; Nebraska, No. 14, crushed Utah 31-0; Indiana, No. 15, outslugged Baylor 40-36; and UCLA, tied with Minnesota for 16th, smashed Pitt 63-7.

It was obvious that UCLA didn't miss its All-America quarterback, Gary Behan. Bill Bolden, the Heisman Trophy winner's successor, suffered a shoulder separation after leading the Bruins to three touchdowns, but sophomore Jim Nader took over and passed for four more scores.

Other sophomores also made impressive debuts. Bill Hunter dashed 90 yards with a punt return for a touchdown that sparked Army past the Citadel 34-14. Ron Volbrecht kicked a 51-yard field goal that gave Washington a 35-35 tie with Rice.

Jim Plunkett completed 10 of 13 passes for 277 yards and four touchdowns as Stanford trounced San Jose State 68-20. Chuck Hixson hit on 27 of 48 passes in Southern Methodist's 37-28 triumph over Auburn.

In other games North Carolina State whipped North Carolina 38-6, Georgia Tech defeated Texas Christian 17-7, Michigan State topped Syracuse 14-10, Arizona State crushed Wisconsin 55-7, Wyoming battered Utah State 43-3 and Colorado stopped Oregon 28-7.

**NO SCHOOL TODAY**—Pupils who showed up at one of New York City's public schools are barred by a padlocked gate during a teachers' strike that has given 1,200,000 students an extended summer vacation.

## 29,000 See Pats Lose At Birmingham

**By BOB GREEN**  
Associated Press Sports Writer

The Boston Patriots had their home opener in Birmingham, Ala., the Patriots looking for sole control of the top spot in the Eastern Division and Birmingham looking for a franchise in the American Football League.

The Patriots suffered a complete disappointment and Birmingham at least a mild one. Boston is having difficulty finding a suitable playing site, and the game was billed as a test to see how the AFL would draw in Birmingham.

A crowd of 29,129 turned out at Legion Field, which seats about 70,000, Sunday to watch the New York Jets and Boston, sharing the lead in the East with 1-0 records.

New York won it 47-31 on Joe Namath's passing and an alert defense, the Jets taking sole possession of the No. 1 position. Cincinnati beat Buffalo 34-23 and Kansas City whipped Denver 34-2 in the other Sunday games. San Diego topped Houston 20-14 and Oakland stopped Miami 47-21 Saturday night.

Boston never led against New York, but the Patriots were threatening to make a game of it early in the third period when Mel Witt intercepted a Namath pass and returned it four yards for a touchdown, closing the gap to 20-17.

But the Jets quickly put it out of reach, scoring 17 points before the period was over. Mark Smolinski picked up a blocked punt and scored from three yards out.

A fast Jet rush forced a shot punt, gave New York field position and Namath capitalized on it with a 27 yard touchdown pass, his second of the day. A pass interception set up a 12 yard field goal by Jim Turner, the Jets had a 37-17 lead and were out of danger.

The heavily favored Chiefs couldn't get started against Denver, managed only a 6-2 halftime lead and coach Hank Stram made some changes.

He sent in second-string quarterback Jackie Lee, who hit on seven of eight passes for 99 yards and two touchdowns, and third string running back Robert Holmes, who scored twice on runs of 17 and six yards as the Chiefs made a rout of it.

Cincinnati converted a pair of second-half interceptions into touchdowns and handed Buffalo its third consecutive loss. Al Beauchamp returned one 17 yards and Charley King 32 yards for another.

The victories by Oakland and San Diego Saturday left them in a tie at the top in the West at 2-0.

Daryle Lamonica fired touchdown passes of 74, 3, 49 and 16 yards in the first half, the Raiders built a 33-14 halftime lead and coasted home against Miami.

San Diego broke open a tight game with three fourth-quarter touchdowns against Houston. Brad Hubbard ran three yards for one, John Hadl passed 80 yards to Lance Alworth for another and Joe Beauchamp returned a pass interception 24 yards for the third.

## 29,000 See Pats Lose At Birmingham

**By BOB GREEN**

Associated Press Sports Writer

The Boston Patriots had their home opener in Birmingham, Ala., the Patriots looking for sole control of the top spot in the Eastern Division and Birmingham looking for a franchise in the American Football League.

The Patriots suffered a complete disappointment and Birmingham at least a mild one. Boston is having difficulty finding a suitable playing site, and the game was billed as a test to see how the AFL would draw in Birmingham.

A crowd of 29,129 turned out at Legion Field, which seats about 70,000, Sunday to watch the New York Jets and Boston, sharing the lead in the East with 1-0 records.

New York won it 47-31 on Joe Namath's passing and an alert defense, the Jets taking sole possession of the No. 1 position. Cincinnati beat Buffalo 34-23 and Kansas City whipped Denver 34-2 in the other Sunday games. San Diego topped Houston 20-14 and Oakland stopped Miami 47-21 Saturday night.

Boston never led against New York, but the Patriots were threatening to make a game of it early in the third period when Mel Witt intercepted a Namath pass and returned it four yards for a touchdown, closing the gap to 20-17.

But the Jets quickly put it out of reach, scoring 17 points before the period was over. Mark Smolinski picked up a blocked punt and scored from three yards out.

A fast Jet rush forced a shot punt, gave New York field position and Namath capitalized on it with a 27 yard touchdown pass, his second of the day. A pass interception set up a 27 yard field goal by Jim Turner, the Jets had a 37-17 lead and were out of danger.

The heavily favored Chiefs couldn't get started against Denver, managed only a 6-2 halftime lead and coach Hank Stram made some changes.

He sent in second-string quarterback Jackie Lee, who hit on seven of eight passes for 99 yards and two touchdowns, and third string running back Robert Holmes, who scored twice on runs of 17 and six yards as the Chiefs led a rout of it.

Cincinnati converted a pair of second-half interceptions into touchdowns and handed Buffalo its third consecutive loss. Al Beauchamp returned one 17 yards and Charley King 32 yards for another.

The victories by Oakland and San Diego Saturday left them in a tie at the top in the West at 2-0.

Daryle Lamonica fired touchdown passes of 74, 3, 49 and 16 yards in the first half, the Raiders built a 33-14 halftime lead and coasted home against Miami.

San Diego broke open a tight game with three fourth-quarter touchdowns against Houston. Brad Hubbard ran three yards for one, John Hadl passed 80 yards to Lance Alworth for another and Joe Beauchamp returned a pass interception 24 yards for the third.

## Harsha Will No Longer Represent Pickaway County

**FRIENDS, NOT FOES** — William H. Harsha (right) and Chalmers P. Wylie (left), are not facing each other in the general election. Harsha is the sixth Ohio District representative and Wylie the 15th district representative. Pickaway County this year has been transferred from Harsha's jurisdiction to the 15th district, effective Jan. 1.

Representative William H. Harsha of the 6th Ohio District today recommended to the voters of Pickaway County the election of Representative Chalmers P. Wylie as their new Congressman.

Harsha, who has been representing this county, expressed deep regret over his loss of Pickaway to the 15th District, represented by Wylie, as the result of redistricting. The 15th District, until now including only the western half of Franklin County, has been enlarged to include also Madison and Pickaway Counties.

"I have enjoyed my relationships with Pickaway Countians, and I will continue to value their friendship. These contacts of recent years make my pleasure all the greater that my constituents here have the opportunity to elect as my successor a man already experienced and respected in Congress. He will have my encouragement and cooperation

## How Weather Looks Today

**OHIO WEATHER SUMMARY**  
COLUMBUS, Ohio (AP) — Official weather bureau summary for Ohio:

Thundershowers developed in northern Ohio Sunday afternoon and evening. The heaviest amounts, around a half inch, were reported in the Mansfield and Cleveland areas. Sunny skies prevailed over most of the state. High temperatures ranged from 78 at Toledo to 88 in the Cincinnati area.

The cool front in the plains is making only slow eastward progress. Warm weather will continue over Ohio today and tonight and for most of the state Tuesday. The cool front is forecast to move into northwest Ohio Tuesday afternoon.

Scattered thundershowers are expected to develop again over northern Ohio this afternoon and evening and spread to the southern portions Tuesday. Lows tonight will be in the 60s.

**FORECASTS**  
OHIO — Partly cloudy and warm today and tonight with scattered afternoon and evening thundershowers north. Highs today in the 80s. Lows tonight in the 60s. Considerable cloudiness with scattered thundershowers Tuesday and turning cooler northwest.

**NORTHWEST OHIO** — Partly cloudy and warm today and tonight with scattered thundershowers. High today in 80s. Low tonight 60s. Considerable cloudiness with scattered thundershowers and turning cooler Tuesday.

**SOUTHWEST, SOUTHEAST, CENTRAL, EAST CENTRAL OHIO** — Partly cloudy and warm today and tonight. High today in 80s. Low tonight in 60s. Considerable cloudiness and warm Tuesday with scattered thundershowers.

With such a varied background, Congressman Harsha said "Pickaway Countians will be assured of effective representation in Washington by casting their votes November 5 for Chalmers P. Wylie."

## LBJ, Mahon Hold Talks At Ranch

SAN ANTONIO, Tex. (AP) — President Johnson met Sunday with Rep. George Mahon, chairman of the powerful House Appropriations Committee, on the eve of final congressional action on several key money bills.

Mahon, a Texas Democrat, was not an announced ranch visitor, but he showed up in the President's church-going party on Sunday.

His visit came at a time when Congress is winding up action on defense and foreign aid spending, with Johnson's appropriation requests facing cuts of some \$12 billion.

Presidential press spokesmen confirmed Mahon's presence at the ranch over the weekend as "a personal guest", but had nothing to report on what was discussed.

However, with the money bills at the crucial turn and Johnson facing up to making Congress-imposed spending cuts, Mahon's presence seemed to be a bit more than coincidental.

The President, meanwhile, decided to continue his Texas ranch stay at least into today, with indications that he may remain even a day or two more.

She was crowned Saturday night following the contest at the Jackson Apple Festival by her predecessor, Miss Pat Dawley, Miss Dawley, 1966 Miss Pumpkin Show, won the Miss Ohio Festivals competition last year.

Miss Pumpkin Show Jant Collins was made part of the Miss Ohio Festivals royal court by receiving the fourth runner-up title.

The Ohio Festivals Assn. consists of 23 community celebrations throughout the state, of which 18 were represented by queens competing for the Miss Ohio Festivals crown on Saturday.

**SATURDAY** night's parade attracted a new record Apple Festival crowd. It was held in honor of the new queen.

Lyndi Moore, queen of the Geauga County Maple Festival, was named first runner-up. Second was Becki Johnson, queen of the Miami Valley Steam Threshers Show. Third was Mildred Phillips, Milan Melon Festival Queen.

The Miss Congeniality award went to Judy Forsythe, Swiss Cheese Festival queen from Middlefield.

Atlantic City, largest of New Jersey's resorts, plays host to 16 million visitors a year, including vacationers and those who attend the numerous conventions held there.

## KC Council Joins Effort

Hamman Council 5297, Knights of Columbus, has joined with Ohio's 282 other councils in the 1968 All-Ohio Youth Campaign, according to Dallas Elliott Jr., grand knight of the local unit.

The annual K of C event is sponsored by the Ohio State Council with proceeds being used for youth activities on a local and state level. This year's event has the theme "Open The Golden Gate For Youth in '68". It will conclude on Nov. 23, with a large victory dance at the Sheraton Hotel in Akron.

Some of the youth projects benefiting from the year's campaign include the K of C Scholarship Program, the Newman Apostolate on the college campuses in Ohio, Columbian Squires, Operation Youth at Xavier University, local scouting programs, athletic programs, Catholic Youth Organization, and numerous other activities.

Elliott also has announced that George Ebbrecht, 424 Stella Ave., has been appointed the council's chairman for this campaign.

Additional information may be obtained from any K of C member in this area or by contacting George Ebbrecht.

## KC Council Joins Effort

Hamman Council 5297, Knights of Columbus, has joined with Ohio's 282 other councils in the 1968 All-Ohio Youth Campaign, according to Dallas Elliott Jr., grand knight of the local unit.

The annual K of C event is sponsored by the Ohio State Council with proceeds being used for youth activities on a local and state level. This year's event has the theme "Open The Golden Gate For Youth in '68". It will conclude on Nov. 23, with a large victory dance at the Sheraton Hotel in Akron.

Some of the youth projects benefiting from the year's campaign include the K of C Scholarship Program, the Newman Apostolate on the college campuses in Ohio, Columbian Squires, Operation Youth at Xavier University, local scouting programs, athletic programs, Catholic Youth Organization, and numerous other activities.

Elliott also has announced that George Ebbrecht, 424 Stella Ave., has been appointed the council's chairman for this campaign.

Additional information may be obtained from any K of C member in this area or by contacting George Ebbrecht.
